Motorists are asked to:overtake a cyclist only when a clear view of the road ahead exists. It is legally acceptable to cross continuous white lines to safely pass a cyclist (or group of cyclists). On roads with a speed limit of up to 60km/h, a distance of 1m is required to pass a cyclist safely. When travelling on roads with a speed limit of more than 60km/h, allow 1.5 metres passing distance. reflective or brightly coloured clothing, and attach a white front light and a rear red light.

PLEASE KEEP YOUR DOG ON A LEAD AT ALL TIMES WHEN USING SHARED PATHS. CYCLISTS ARE RE-QUIRED TO WEAR A HELMET THAT IS PROPERLY FASTENED, ENSURE BOTH BELL AND BRAKES ARE WORKING, AND RING A BELL OR CALL OUT WHEN OVERTAKING OTHER PATH USERS.
