That the Council notes payment of voucher numbers M118181 – M118229, EF072890 – EF073378, DD004177 – DD004204 together totalling \$7,878,881.24.

**CARRIED 8/0**

**EN BLOC**

### **EXECUTIVE SUMMARY**

This report provides details of payments made from the City's bank accounts for the month of July 2020, for noting by the Council and recording in the Council Minutes.

### **BACKGROUND**

The *Local Government (Financial Management) Regulations 1996* (the Regulations) requires that when the Council has delegated authority to the Chief Executive Officer to make payments from the City's bank accounts, that a list of payments made is prepared each month for presentation to, and noting by, the Council.

### **OFFICER COMMENT**

In accordance with regular custom, the list of payments made for the month of July 2020 is presented for information.

### Statutory Environment

Section 6.10 of the *Local Government Act 1995* and more specifically Regulation 13 of the Regulations refer to the requirement for a listing of payments made each month to be presented to the Council.

### Relevant Plans and Policies

There are no relevant plans or policies to consider in relation to this matter.

### Financial Implications

There are no financial implications associated with the Officer Recommendation.

**Stakeholder Consultation**

No external stakeholder consultation was required or undertaken in relation to this matter.

**Risk Assessment**

An assessment of the potential implications of implementing the Officer Recommendation has been undertaken using the City's risk management framework, with risks assessed taking into account any controls already in place. No risks of a medium or greater level have been identified.

**Options**

Not applicable.

**CONCLUSION**

The list of payments made for the month of July 2020 is presented for information.

**TIMELINE FOR IMPLEMENTATION OF OFFICER RECOMMENDATION**

Not applicable.

<b>ATTACHMENTS</b>	Attachment A Investment Report July 2020   Attachment B Financial Activity Statement July 2020  

This item was considered by the Finance Committee at its meeting on 09/09/2020, the recommendations from which have been included in this report.

**COUNCIL DECISION AND COMMITTEE RECOMMENDATION AND OFFICER RECOMMENDATION**

**C2009/127**

Moved Councillor J Barrett-Lennard, seconded Councillor P Carter

That the Council receives the statutory financial activity statement reports for the period ending 31 July 2020, pursuant to Regulation 34(4) of the *Local Government (Financial Management) Regulations*.

**CARRIED 8/0**

**EN BLOC**

**EXECUTIVE SUMMARY**

Pursuant to Section 6.4 of the *Local Government Act 1995* (the Act) and Regulation 34(4) of the *Local Government (Financial Management) Regulations 1996* (the Regulations), a local government is to prepare, on a monthly basis, a statement of financial activity that reports on the City's financial performance in relation to its adopted / amended budget.

This report has been compiled to fulfil the statutory reporting requirements of the Act and associated Regulations, whilst also providing the Council with an overview of the City's financial performance on a year to date basis for the period ending 31 July 2020.

**BACKGROUND**

The Regulations detail the form and manner in which financial activity statements are to be presented to the Council on a monthly basis, and are to include the following:

- Annual budget estimates
- Budget estimates to the end of the month in which the statement relates
- Actual amounts of revenue and expenditure to the end of the month in which the statement relates
- Material variances between budget estimates and actual revenue/expenditure (including an explanation of any material variances)
- The net current assets at the end of the month to which the statement relates (including an explanation of the composition of the net current position)

Additionally, and pursuant to Regulation 34(5) of the Regulations, a local government is required to adopt a material variance reporting threshold in each financial year. At its meeting on 27 July 2020, the Council adopted (C2007/071) the following material variance reporting threshold for the 2020/21 financial year:

*That pursuant to Regulation 34(5) of the Local Government (Financial Management) Regulations, the Council adopts a material variance reporting threshold with respect to financial activity statement reporting for the 2020/21 financial year as follows:*

- *Variances equal to or greater than 10% of the year to date budget amount as detailed in the Income Statement by Nature and Type/Statement of Financial Activity report, however variances due to timing differences and/or seasonal adjustments are to be reported only if not to do so would present an incomplete picture of the financial performance for a particular period; and*
- *Reporting of variances only applies for amounts greater than \$25,000.*

#### **OFFICER COMMENT**

In order to fulfil statutory reporting requirements and to provide the Council with a synopsis of the City's overall financial performance on a year to date basis, the following financial reports are attached hereto:

##### Statement of Financial Activity

This report provides details of the City's operating revenues and expenditures on a year to date basis, by nature and type (i.e. description). The report has been further extrapolated to include details of non-cash adjustments and capital revenues and expenditures, to identify the City's net current position; which reconciles with that reflected in the associated Net Current Position report.

##### Net Current Position

This report provides details of the composition of the net current asset position on a full year basis, and reconciles with the net current position as per the Statement of Financial Activity.

##### Capital Acquisition Report

This report provides full year budget performance (by line item) in respect of the following capital expenditure activities:

- Land and Buildings
- Plant and Equipment
- Furniture and Equipment
- Infrastructure

##### Reserve Movements Report

This report provides summary details of transfers to and from reserve funds, and associated interest earnings on reserve funds, on a full year basis.

Additional reports and/or charts are also provided as required to further supplement the information comprised within the statutory financial reports.

### Comments on Financial Activity to 31 July 2020

The Statement of Financial Activity (FAS), for the year to date as at 31 July 2020 shows an overall Net Current Position of \$2.5M as opposed to the budget of **(\$7.1M)**. This represents a positive variance of \$9.6M in the month of July.

The following summarises the major YTD cash variances that appear on the face of the FAS, which in accordance with Council's adopted material variance reporting threshold, collectively make up the above difference. Each numbered item in the lead table is explained further:

Description	2020/21 Actual YTD \$	2020/21 Amended Budget YTD \$	2020/21 Amended Budget \$	2020/21 YTD Bud Variance %	2020/21 YTD Bud Variance \$	Change in Variance Current Month \$
<b>Revenue from Ordinary Activities</b>				<b>18.99%</b>	<b>227,716</b>	<b>227,716</b>
1. Operating Grants, Subsidies and Contributions	692,783	247,245	4,454,801	180.20%	445,538	445,538

12. Transfer to Reserves	(56,783)	(1,514,893)	(20,025,834)	96.25%	1,458,110	1,458,110
13. Transfer from Reserves	5,234,878	1,236,455	34,105,297	323.38%	3,998,423	3,998,423

### **Revenue from Ordinary Activities**

Actual income from ordinary activities for July is \$227K better than budget. The following YTD items meet the material variance reporting thresholds:

- 1. Operating Grants, Subsidies and Contributions** are \$446K better than budget. The variance is mainly due to the following:

Revenue Code	Revenue Code Description / GL Activity	Actual YTD \$	Amended Budget YTD \$	Variance YTD \$	Change in Variance Current Month \$	Comments
10200	Insurance Reimbursements	58,212	8,744	49,468	49,468	1 <sup>st</sup> instalment of the LGISWA contribution assistance package of \$58K. Annual budget is an estimate of the insurance companies performance (and the City's allocation thereof), and was spread evenly over 12 months. The actual annual allocation was \$128K, which is better than the full year budget estimate of \$102K due to COVID-19 considerations.
10530	Community Services Administration - State Government Operating Grants	45,455	4,167	41,288	41,288	Unplanned contribution from Rio Tinto for COVID-19 community support.
11151	Airport Operations Contributions	-	50,000	(50,000)	(50,000)	No regional Council contributions have been received as yet due to Airport development delays caused by COVID-19.
10931	Protective Burning & Firebreaks-Reserves – State Govt. Grant	249,750	-	249,750	249,750	1 <sup>st</sup> instalment received one month earlier than budgeted.
10942	Bushfire Risk Management Planning – DFES – State Govt. Grant	174,505	14,542	159,963	159,963	Entire grant received in July, budget spread over 12 months.
11501	Operations Services Works – Workers Comp. Reimbursements	39,696	5,100	34,596	34,596	Two lots of reimbursements were received from LGIS in July. The timing of these for budget purposes is inherently difficult to predict, hence the annual budget has been spread evenly over 12 months.

2. **Fees & Charges** is **(\$292K)** worse than budget. The main contributing variances are outlined in the table below:

Revenue Code	Revenue Code Description / GL Activity	Actual YTD \$	Amended Budget YTD \$	Variance YTD \$	Change in Variance Current Month \$	Comments
10591	Geographe Leisure Centre - Wet Areas	136,464	241,804	(105,340)	(105,340)	Directly attributable to the COVID-19 restrictions and economic activity impacts. At the time the initial budget estimates were made it was believed that by July much of these impacts would have abated somewhat.
11151	Airport Operations - Kiosk Income	60,567	131,982	(71,415)	(71,415)	Per above.
10808	Compliance Services - Swimming Pool Inspection Fees	1,416	85,884	(84,468)	(84,468)	Timing difference related to the issuance of Rates. Will rectify itself in August.

3. **Interest Earnings** at \$50K actual compared to **(\$1K)** budget is due to an error in the upload of the Interest on Reserves budget into the system. This will be rectified in the August FAS.

#### **Expenses from Ordinary Activities**

Expenditure from ordinary activities is \$1.6M or 22.35% less than expected when compared to the budget for July. The following individual expense line items on the face of the financial statement have YTD variances that meet the material reporting thresholds:

4. **Employee Costs** were \$359K less than budgeted. The main variances meeting the reporting thresholds are outlined in the table below:

Cost Code	Cost Code Description / GL Activity	Actual YTD \$	Amended Budget YTD \$	Variance YTD \$	Change in Variance Current Month \$	Comments
10200	Financial Services	94,978	192,159	97,181	97,181	The retirement of a long term employee was budgeted for July, but did not actually happen until August.
10521	Human Resources & Payroll	58,456	102,477	44,021	44,021	The biggest areas of underspend is Training expenses and Professional Development. These are due to COVID reducing the amount of training available to be undertaken, and the training calendar is developed after the Performance Review process which is yet to take place.

11501	Operations Services Works	367,873	402,391	34,518	34,518	No public holidays. Under YTD budget for long service leave and annual leave year.
	Various Roads Works	133,227	91,645	(41,582)	(41,582)	YTD budget is based upon an equal spread across each month of the year. In reality maintenance employee costs in the winter months (July – Oct) are higher than the remainder of the year due to Construction teams undertaking maintenance activities.
	Various Parks & Gardens	111,885	146,121	34,236	34,236	Capital project involvement outside of usual practice.
	Transport Fleet Management	34,128	73,224	39,096	39,096	Actual costs are under expended to budget due to various timing variances. The majority of this variance representing \$26k is attributable to Fringe Benefits Tax that will be paid in four instalments starting September. The rest of variance is impacted via periods of position vacancies; lower overtime etc.

5. **Materials and Contracts** better than budget by \$1M or 65.67%. The table below lists the main variance items that meet the reporting thresholds:

Cost Code	Cost Code Description / GL Activity	Actual YTD \$	Amended Budget YTD \$	Variance YTD \$	Change in Variance Current Month \$	Comments
<b><u>Finance and Corporate Services</u></b>		<b>112,505</b>	<b>208,720</b>	<b>96,215</b>	<b>96,215</b>	
10000	Members of Council	540	32,733	32,193	32,193	The variance is due to the fact that the annual WALGA membership was anticipated to be paid upfront in July, however, this did not get processed until August.
<b><u>Community and Commercial Services</u></b>		<b>23,685</b>	<b>175,188</b>	<b>151,503</b>	<b>151,503</b>	
10591	Geographe Leisure Centre	9,593	45,232	35,639	35,639	The Geographe Leisure centre was closed due to COVID and upon reopening was subject to phased restrictions which limited the attendance numbers and therefore expenditure associated with our programs and services throughout July. To date we are still limited by Phase 5 restrictions and have limited numbers in some activities affecting a slow return to

						business as usual and therefore planned expenditure.
10600	Busselton Jetty Tourist Park	2,109	48,418	46,309	46,309	The majority of this variance cost is the monthly management contract fee (\$41,125) for the caravan park which has resulted due to a timing issue with presentation and payment of the invoice. Other expenses falling within Materials & Contracts are related to maintenance which will occur throughout the year.
<b><u>Planning and Development Services</u></b>		<b>54,371</b>	<b>139,979</b>	<b>85,608</b>	<b>85,608</b>	
10931	Protective Burning & Firebreaks-Reserves	6,058	45,324	39,266	39,266	Only one fire mitigation activity has been completed in Q1 due to weather constraints. Procurement is underway for a comprehensive role out of fire mitigation activities to be completed in Q2 of 2020 and prior to the peak bush fire season.
<b><u>Engineering and Works Services</u></b>		<b>336,844</b>	<b>1,011,628</b>	<b>674,784</b>	<b>674,784</b>	
12600	Street & Drain Cleaning	-	36,478	36,478	36,478	Invoices for July not received and timing of expenditure.
12620 & 12621	Rural & Urban Tree Pruning	864	31,500	30,636	30,636	Expenditure timing and reduced expenditure to potentially offset May 2020 storm damage subject to DRFAWA claims.
Various	Buildings	11,710	118,423	106,713	106,713	The majority of scheduled maintenance activities to Buildings occur in the second half of the financial year; hence the year to date variance to budget (which is spread evenly).
Various	Other Infrastructure Maintenance	32,132	143,428	111,296	111,296	Expenditure for July at only 22% of the YTD budget of \$143k is attributable to timing with the budget having been evenly spread across the financial year. Material & Contractor costs associated with all these areas will gradually increase as the year progresses. Additionally, a number of invoice for services rendered in July will be processed in August further contributing to the YTD variance.

Various	Waste services	98,708	218,184	119,476	119,476	The larger variances are due to delays processing significantly higher volumes of green waste (and therefor pay), due to more people being at home because of COVID impacts, plus two major storm events. There were also delays in receiving invoices from various aspects of the recycling contractor. This should somewhat reverse in August.
Various	Reserve Maintenance	7,178	164,581	157,403	157,403	Only 22% of the YTD Contractor budget was outlaid in the month of July. Costs associated with Public Open Spaces are historically low to the year to date budget in the first few month of any new financial year. These costs will begin to increase as we move towards spring and the busy summer tourism peak period. Contract horticulture costs incurred in July have been processed in August.
5280	Transport - Fleet Management	98,847	208,991	110,144	110,144	The variance in fleet is due to both delays in supplier invoicing and the reduced maintenance activities due to lower winter utilisation. Fuel was underspent by \$45,000 due to delays in receiving invoices, lower fuel cost, lower plant utilisation due to winter and less light fleet use due to COVID. Tyre purchase was underspent by \$14,000, replacement parts/tooling were underspent by \$31,000 and contractor costs were underspent by \$20,000.

## 6. Utilities

Costs are \$76K under budget. At year ended 30 June, the June street lighting account was booked in June, rather than in July with an offsetting accrual reversal. Coupled with this, the July account has not yet been received from Synergy due to system issues at their end (along with a number of other electricity accounts). No accrual was done for July at our end to allow for this, causing what appears to be an underspend against the budget. This should rectify itself in either the August or September accounts.

**7. Other Expenditure** is \$277K under the budget. The main contributing items are listed below:

Cost Code	Cost Code Description / GL Activity	Actual YTD \$	Amended Budget YTD \$	Variance YTD \$	Change in Variance Current Month \$	Comments
<b><u>Finance and Corporate Services</u></b>		<b>12,951</b>	<b>58,482</b>	<b>45,531</b>	<b>45,531</b>	
10000	Members of Council	10,844	42,528	31,684	31,684	Councillor fees and allowances are paid one month in arrears, apart from June, where there is effectively a double up to ensure the full year figures are correct per YTD budget. The budget however is allocated to every month, causing a variance in July, which gradually resolves by June.
<b><u>Community and Commercial Services</u></b>		<b>10,875</b>	<b>237,445</b>	<b>226,570</b>	<b>226,570</b>	
10530	Community & Commercial Services Administration	-	35,358	35,358	35,358	There were no marketing activities during July and only one sponsored event (Cabin Fever) with their invoice being presented in August. However, the annual budget allocation for events and marketing areas were incorrectly allocated over the duration of the year and hence variances have resulted. The budget monthly allocations will be rectified for subsequent months.
10567	Cinefest Oz	-	120,000	120,000	120,000	Cinefest Oz commenced on 25 August with a different event being hosted this year due to COVID-19 restrictions, resulting in a varied payment schedule for their event funding as agreed by MERG and Council.

### Non-Operating Grants, Subsidies and Contributions

8. Non-Operating Grants, Subsidies and Contributions are below budget by **(\$1.3M)**. The recognition of revenue in this area is highly dependent on whether the actual works have been completed and funds expended. As shown below in the capital expenditure area, there is a significant underspend in capital works. Apart from the reversed accrual of the valuation of the donated fire truck of \$475K (see B1025 in the table below), the negative variance indicated above is completely offset by this.

The following table presents a list of the main variance areas for budgeted grant or contribution funded activities:

Revenue Code	Revenue Code Description / GL Activity	Actual YTD \$	Amended Budget YTD \$	Variance YTD \$	Change in Variance Current Month \$
<b><u>Engineering and Works Services</u></b>		<b>414,654</b>	<b>(844,102)</b>	<b>(1,258,756)</b>	<b>(1,258,756)</b>
B1025	Yallingup Coastal Bushfire Brigade – Donated Asset	(474,654)	-	(474,654)	(474,654)
C0053	Car Parking - Rear of Hotel Site 1 – Contributions	-	40,000	(40,000)	(40,000)
C0059	Dunsborough Yacht Club Car Park - Contributions	60,000	-	60,000	60,000
F1022	Buayanyup Drain Shared Path – State Govt. Grant	-	26,667	(26,667)	(26,667)
S0005	Ludlow Hithergreen Road - Second Coat Seal – MR Grant	-	37,500	(37,500)	(37,500)
S0048	Bussell Highway – Developer Funds & Grants Utilised	-	41,667	(41,667)	(41,667)
S0070	Peel & Queen Street Roundabout Service Relocation – MR Capital Grant	-	120,000	(120,000)	(120,000)
S0072	Gale Road Rural Reconstruction – Federal Grant	-	114,374	(114,374)	(114,374)
S0321	Yoongarillup Road - Second Coat Seal – MR Capital Grant	-	88,000	(88,000)	(88,000)
S0328	Wonnerup South Road Second Coat Seal – MR Grant	-	72,000	(72,000)	(72,000)
S0329	Georgette Street Reconstruction – MR Grant	-	100,000	(100,000)	(100,000)
S0330	Hakea Way Asphalt Overlay – MR Grant	-	85,000	(85,000)	(85,000)
T0020	Capel Tutunup Road – RTR Grant	-	118,894	(118,894)	(118,894)

### Capital Expenditure

9. As at 31 July 2020, there is an underspend variance of 89.19% or \$3.4M in total capital expenditure, with YTD actual at \$414K against the YTD amended budget of \$3.8M. Almost all of this positive underspend variance is offset by the negative variance in Non-operating Grants, Contributions & Subsidies discussed above, plus negative variances in Transfers From Reserves related to funds held aside for these projects. The attachments to this report include detailed listings of all capital expenditure (project) items, however the main areas of YTD variance are summarised as follows:

Cost Code	Cost Code Description / GL Activity	Actual YTD \$	Amended Budget YTD \$	Variance YTD \$	Change in Variance Current Month \$	Comments
<b>Buildings</b>		<b>19,670</b>	<b>1,540,580</b>	<b>1,520,910</b>	<b>1,520,910</b>	
B9516	Busselton Library Upgrade	127	150,000	149,873	149,873	Project was underspent due to mid-June 2020 contract award which occurred later than expected. Works scheduled for completion in September 2020.
B9407	Busselton Senior Citizens	-	129,210	129,210	129,210	Works underspent during this period. Works due for completion in September 2020.
B9591	Busselton Performing Arts Convention Centre	3,298	1,188,292	1,184,994	1,184,994	July contains the total budget commitment for consultancy services. These funds will actually be spent evenly over the contract term. Budget timing will be altered accordingly in subsequent reporting periods.
B9596	GLC Building Improvements	2,364	40,971	38,607	38,607	Carried over works from the prior year were budgeted to be completed throughout the year, however none of this work was commenced in July.

<b><u>Plant &amp; Equipment</u></b>		<b><i>(456,494)</i></b>	<b><i>36,362</i></b>	<b><i>492,856</i></b>	<b><i>492,856</i></b>	
B1025	Yallingup Coastal Bushfire Brigade	<i>(474,654)</i>	-	474,654	474,654	Reversal of accrual of the valuation of a donated fire truck at 30/6. Offset by negative variance in donated assets revenue contained in Non-operating Grants, Contributions & Subsidies.
<b><u>Furniture &amp; Office Equipment</u></b>		<b><i>3,272</i></b>	<b><i>37,667</i></b>	<b><i>34,395</i></b>	<b><i>34,395</i></b>	
10250	Information & Communication Technology Services	3,272	37,667	34,395	34,395	Alternative solution found for the Fully Qualified Domain Name project that resulted in a lower spend up front, the capital assigned will now include a migration to Exchange Online which was always an option within the initial project. Expect the costs to be drawn in Q4 2020.
<b><u>Infrastructure By Class</u></b>		<b><i>847,662</i></b>	<b><i>2,215,938</i></b>	<b><i>1,368,276</i></b>	<b><i>1,368,276</i></b>	In the first quarter of the financial year a majority of Projects are in the planning and design phase and as such minimal actual expenditure is recorded against them. Further to this Capital Projects with Civil works are commonly scheduled to be carried out later; in the drier summer construction season. The Capital works budgets have been entered based on an even spread method and approach, not on a scheduled timing of works basis.
	Roads	688,934	1,317,835	628,901	628,901	
	Bridges	152	143,333	143,181	143,181	
	Car Parks	26,762	111,563	84,801	84,801	
	Footpaths & Cycleways	6,087	103,485	97,398	97,398	
	Parks, Gardens & Reserves	125,533	481,815	356,282	356,282	
	Drainage	-	13,725	13,725	13,725	
	Regional Airport & Industrial Park Infrastructure	194	44,182	43,988	43,988	

### Repayment of Capital Lease

10. There is a \$130K positive variance at the end of July. The leases are prepaid a month in advance, with the amount set aside in a prepaid account and then applied as a lease payment via journal in the relevant month. The journal for July missed rollover cut-off and has been processed in August. Budget and actual will re-align for the August FAS.

### Transfer to Restricted Assets

11. There is a YTD variance in transfers to restricted assets of \$75K more than amended budget. Developer contributions and bonds are inherently hard to predict and budget for. An annual amount of \$50K spread evenly over 12 months was budgeted, however, over \$78K was received in July.

### Transfer to Reserves

12. YTD there is a variance in Transfers to Reserves of \$1.5M less than amended budget. Due to timing of receipt of the initial rates instalments, the budgeted July transfers to reserves were deferred to August to assist with cash flow.

### Transfer from Reserves

13. There is a YTD variance in Transfers from Reserves of \$4M more than amended budget. Once again, due to the timing of receipts of the first rates instalments, to assist with operational cash flow requirements, \$4M of the annual budgeted transfers from reserves was brought forward in July.

### Investment Report

Pursuant to the Council's Investment Policy, a report is to be provided to the Council on a monthly basis, detailing the investment portfolio in terms of performance and counterparty percentage exposure of total portfolio. The report is also to provide details of investment income earned against budget, whilst confirming compliance of the portfolio with legislative and policy limits.

As at 31 July 2020, the value of the City's invested funds totalled \$65.87M, down from \$70.79M as at 30 June 2020. The decrease is due to the withdrawal of \$5.0M from the 11am account (an intermediary account which offers immediate access to the funds compared to the term deposits and a higher rate of return compared to the cheque account) to provide funds for standard operations.

During the month of July, six term deposits totalling the amount of \$16.5M matured. Existing deposits were renewed for a further 95 days at 0.87% on average.

The official cash rate in June remains steady at 0.25%. This will have a strong impact on the City's interest earnings for the foreseeable future. Further drops are unlikely at this stage.

### Chief Executive Officer – Corporate Credit Card

Details of transactions made on the Chief Executive Officer's corporate credit card during July 2020 are provided below to ensure there is appropriate oversight and awareness.

Date	\$ Amount	Payee	Description
16/7/2020	531.00	Local Government Management East Perth	LG Pro Membership
	<b>531.00</b>		

**Statutory Environment**

Section 6.4 of the Act and Regulation 34 of the Regulations detail the form and manner in which a local government is to prepare financial activity statements.

**Relevant Plans and Policies**

There are no relevant plans or policies to consider in relation to this matter.

**Financial Implications**

Any financial implications are detailed within the context of this report.

**Stakeholder Consultation**

No external stakeholder consultation was required or undertaken in relation to this matter.

**Risk Assessment**

An assessment of the potential implications of implementing the Officer Recommendation has been undertaken using the City's risk management framework, with risks assessed taking into account any controls already in place. No such risks have been identified.

**Options**

The Statements of Financial Activity are presented in accordance with Section 6.4 of the Act and Regulation 34 of the Regulations and are to be received. Council may wish to make additional resolutions as a result of having received these reports.

**CONCLUSION**

As at 31 July 2020, the City achieved a positive net current position of \$2.5M. Many of the forecast budget positions were not actualised due to difficulties predicting outcomes in light of the COVID-19 impacts. This mainly affected budget allocation timing. This was right across all categories, including operating and non-operating income, operating and capital expenditure. Despite this, in light of the positive net current position the City's financial performance is considered satisfactory, and cash reserves remain strong.

**TIMELINE FOR IMPLEMENTATION OF OFFICER RECOMMENDATION**

Not applicable.

### CITY OF BUSSETON - INVESTMENT PERFORMANCE REPORT For the month of July 2020

#### 11am Bank Account As at 31 July 2020

## 17. CHIEF EXECUTIVE OFFICERS REPORT

### 17.1 COUNCILLORS' INFORMATION BULLETIN

<b>STRATEGIC GOAL</b>	6. LEADERSHIP Visionary, collaborative, accountable
<b>STRATEGIC OBJECTIVE</b>	6.1 Governance systems, process and practices are responsible, ethical and transparent.
<b>SUBJECT INDEX</b>	Councillors' Information Bulletin
<b>BUSINESS UNIT</b>	Executive Services
<b>REPORTING OFFICER</b>	Reporting Officers - Various
<b>AUTHORISING OFFICER</b>	Director Finance and Corporate Services - Tony Nottle
<b>NATURE OF DECISION</b>	Noting: the item does not require a decision of Council and is simply for information purposes and noting
<b>VOTING REQUIREMENT</b>	Simple Majority
<b>ATTACHMENTS</b>	Attachment A Lower Vasse River Management Advisory Group Meeting Notes 19 August 2020  

### COUNCIL DECISION AND OFFICER RECOMMENDATION

**C2009/128** Moved Councillor J Barrett-Lennard, seconded Councillor P Carter

**That the items from the Councillors' Information Bulletin be noted:**

- 17.1.1 Current Active Tenders**
- 17.1.2 Donations, Contributions and Subsidies Fund – August 2020**
- 17.1.3 Lower Vasse River Management Advisory Group Meeting Notes – 19 August 2020**
- 17.1.4 Community Assistance Program**

**CARRIED 8/0**

**EN BLOC**

### **EXECUTIVE SUMMARY**

This report provides an overview of a range of information that is considered appropriate to be formally presented to the Council for its receipt and noting. The information is provided in order to ensure that each Councillor, and the Council, is being kept fully informed, while also acknowledging that these are matters that will also be of interest to the community.

Any matter that is raised in this report as a result of incoming correspondence is to be dealt with as normal business correspondence, but is presented in this bulletin for the information of the Council and the community.

### **INFORMATION BULLETIN**

#### **17.1.1 Current Active Tenders**

Note: Information in *italics* has previously been provided to Council, and is again provided for completeness.

**RFT03/20 CONSTRUCTION OF BORE(S) – DUNSBOROUGH NON-POTABLE WATER PROJECT**

- *Requirement – to engage an adequately skilled and experienced Contractor to:*
  - a) *construct, test and equip exploration, production and/or monitoring bore(s) on Mewitt Road, Quindalup (defined in the Request for Tender as the Bore Site) as part of the City's Dunsborough Non-Potable Water Network Project;*
  - b) *comply with DWER requirements in relation to a Hydrogeological Assessment Report for these bores (as specified in the Drilling Licence); and*
  - c) *if required, provide the City with a report on the beneficial use (availability, volume, quality and sustainability) of groundwater available for extraction from this bore(s).*
- *A Request for Tender was advertised on 18 July 2020 with a closing date of 20 August 2020. The closing date was extended to 25 August 2020.*
- *Two submissions were received and are currently being evaluated.*
- *The value of the contract is expected to exceed the CEO's current delegation under Delegation DA 1-07.*
- *The evaluation process has been completed and officers are working to present a (late) report to the Council's 23 September 2020 meeting.*

**RFT06/20 BUSSELTON FORESHORE EXERCISE EQUIPMENT – DESIGN, FABRICATION AND INSTALLATION**

- *Requirement – the design, fabrication and installation of six (6) exercise equipment stations at the Busselton Foreshore.*
- *A Request for Tender was advertised on 9 May 2020 with a closing date of 26 May 2020.*
- *The value of the contract is not expected to exceed the CEO's current delegated authority under Delegation DA 1-07 and it is expected that a contract will be entered into during July/August 2020.*
- *One submission was received and is currently being evaluated.*
- *Evaluation has been completed and a recommendation made to the CEO to enter into a contract with Phase 3 Landscape Constructions Pty Ltd.*

**EOI02/20 CONSTRUCTION OF BUSSELTON PERFORMING ARTS AND CONVENTION CENTRE**

- *Requirement – the construction of the Busselton Performing Arts and Convention Centre.*
- *An Expression of Interest was advertised on 11 July 2020 with a closing date of 11 August 2020.*
- *Seven submissions were received and are currently being evaluated.*
- *The process for making a preliminary selection among prospective tenderers has been delegated to the CEO pursuant to delegation DA 1 - 08.*
- *A recommendation has been made to the CEO to shortlist seven respondents as acceptable tenderers. The proposed date for issue of the Request for Tender is currently unknown as the City has requested an extension to the Federal Government funding agreement.*

**PQS05/20 BUSSELTON CBD PAVING UPGRADE**

- *Requirement – the provision of goods and services relating to the installation of large format paving within the Busselton CBD at various locations, to be completed in stages.*
- *A Request for Applications to Join a Panel of Pre-Qualified Suppliers was advertised on 26 August 2020 with a closing date of 10 September 2020.*
- *In accordance with delegation DA 1-10 the CEO has authority to establish the panel and to accept applications to join the panel.*
- *It is expected that the panel will be established by the CEO in late September 2020.*

### 17.1.2 Donations, Contributions and Subsidies Fund – August 2020

The Council allocates an annual budget allowance to the Donations, Contributions and Subsidies Fund. This is provided such that eligible groups and individuals can apply for and receive sponsorship to assist them in the pursuit of endeavors that bring direct benefit to the broader community.

Allocation of the funds is delegated to the Chief Executive Officer, in accordance with the published guidelines and funding availability.

Four applications were supported in August 2020, totalling \$900.00, as outlined in the table below:

Recipient	Purpose	Amount
Cornerstone Christian College	Contribution towards end of year graduation award ceremonies \$100 for primary and \$200 secondary school	\$300.00
GP Down South	Jetty Passes for Mental Health week walk along the jetty	\$200.00
Busselton Senior High School	Contribution towards awards for Year 12 end of year graduation ceremony	\$200.00
Cape Naturaliste College	Contribution towards awards for Year 12 end of year graduation ceremony	\$200.00
<b>Total</b>		<b>\$900.00</b>

### 17.1.3 Lower Vasse River Management Advisory Group Meeting Notes – 19 August 2020

In accordance with the terms of reference for the Lower Vasse River Management Advisory Group, the notes from the meeting held on 19 August 2020 are attached.

### 17.1.4 Community Assistance Program

The Council allocates an annual budget allowance to the Donations, Contributions and Subsidies (Community Bids). In May 2020, Council refocused the City's annual Community Bids funding to Community Assistance Program for 2020/21 to provide eligible community and sporting organisations funding for recovery initiatives that have a social and economic stimulus. Allocation of funds is delegated to the Chief Executive Officer, in accordance with Council resolution C2005/133.

Three applications were supported in August 2020, totalling \$25,740; applications as outlined in the table below:

ORGANISATION	PROJECT TITLE	RECOMMENDED FUNDING
Dunsborough (Junior) Soccer Club	COVID-19 Assistance	\$3,616
Barnard Park Sports Association	Life support for BPSA	\$5,685
Busselton Football & Sportsman's Club, Busselton Masters AFL Club, Busselton Dunsborough Junior Football Association		\$17,502
	<b>TOTAL</b>	<b>\$25,740</b>

A total of \$67,000 has been awarded to date.

## MEETING NOTES

**NOTES OF THE 2<sup>ND</sup> MEETING OF THE LOWER VASSE RIVER MANAGEMENT ADVISORY GROUP  
HELD IN THE KALOORUP ROOM, CITY OF BUSSELTON ADMINISTRATION BUILDING  
19 August 2020 – MEETING COMMENCED AT 9:10am.**

**Attendances:**

<b>Members:</b>	
Cr Sue Riccelli (Chair)	City of Busselton
Cr Ross Paine (Deputy Chair)	City of Busselton
Cr Paul Carter	City of Busselton
Paul Needham	City of Busselton

Felicity Bradshaw	Geocatch

1. Welcome and Acknowledgement of Country – Cr Sue Riccelli, Chair

The meeting opened at 10:10am.

The chair welcomed the group and also provided an acknowledgement of Country.

2. Check in on meeting notes and further information - all

A list of all documentation previously sent to members: minutes, reports and links to other documentation/information and websites was displayed to members for their information and recollection.

A total of 25 items have been provided to members.

3. Indigenous values of the Lower Vasse River - Wadandi Cultural Custodian, Iszac Webb

Isaac gave a verbal presentation on the Indigenous values of the lower Vasse River and outlined the importance of the symbiotic relationship the indigenous people maintained with the river systems; also of their custodianship; their beliefs of the river being “the blood of our country of our mother”; and the need to bring the river systems back to what they used to be 150 years ago – where the rivers were used as a provider of food sources, celebrated and enjoyed.

For more detailed notes on Zac’s presentation, please see Attachment B.

4. Workshop session held 24 July 2020 - What would you like to learn more of? – all

Members were asked to form two groups to review the summary of responses and reports collected from the previous workshop. Members were also asked to discuss those items with question marks in them.

They were also asked to identify 3 x items from the summary sheets that they considered to be their top 3 priorities.

Kath commented that she felt the items listed were a bit narrow and would to see them expanded to include points made by Zac Webb.

Members were advised that the summary document was just a preliminary document, a starting point that members will add to at each session.

**Group 1 Top Priorities -**

Priority 1: Item 8 Costs, benefits and means of sediment removal

Priority 2: Item 9 Clay treatment trials

Priority 3: Item 5 Risk of nutrient export into the Lower Vasse River from the treated wastewater scheme at the Busselton Golf Club.

Priority 4: Item 7 Impact of Mexican lilies on water quality and algal blooms.

**Group 2 Top Priorities -**

Priority 1: Impact of sediment on water quality and ecology

Priority 2: Mexican lilies – can they be used strategically to reduce algal blooms?

Priority 3: Costings of sediment removal

Priority 4: Catchment information – what is the problem?

Priority 5: Cost/benefit analysis of reducing different nutrient sources into the LVR

Priority 6: Clay – opportunities and costings

Priority 7: Groundwater – impacts

**Further Comment**

The Chair commented that there needed to be further discussion to get a collective understanding of the cause to be able to treat the river system.

Paul also flagged that there would be further prioritisation of summary sheets.

Vern Bussell asked questions about -

- Testing levels of nitrate in the river in the summer when the water was lower.
- The leakage from the Golf Club of approximately 10kl per day into the LVR. Paul to catch-up with Vern to discuss/clarify Vern's comments regarding the leakage into the river outside of the meeting.
- Asked for the valve that was badly blocked in the diversion drain culvert to be cleared.

**Action: Removal of build-up debris on screens in the diversion drain valve.**

**Action: Paul to contact Vern in next couple of days to discuss leakage from the Golf Course into the LVR.**

5. Wrap up and next meeting (16 September 2020) – Cr Sue Riccelli, Chair

The Chair thanked all for their attendance and participation.

Sue also advised that she would be an apology for the 16 September meeting and asked for the Deputy Chair, Councillor Ross Paine to chair the September meeting in her place.

Paul advised members that Bill Moulden from Alluvium Consulting would be doing a presentation at the September meeting (via Zoom) regarding the Living Stream Project.

Paul advised members that the previous meetings agendas had been composed by staff; but would like members to be proactive and to participate in determining the contents in the next and future agendas i.e. what items members deem important for inclusion in the agendas.

**Action: all members to provide feedback to Paul for items for next and future agendas.**

6. Suggested dates for subsequent meetings for October and November are –

- 21 October 2020
- 18 November 2020

The Chair advised members of next x 2 proposed meeting dates (above) and commencement times for meetings to only be referred to in the Outlook meeting invitation.

7. Close of meeting

Meeting Closed at approximately 11:05am.

8. Next Meeting

Next meeting scheduled 16 September 2020.

LOWER VASSE RIVER MANAGEMENT ADVISORY GROUP				
2020 ACTION SHEET				
No.	Date	Action	Responsibility	Status Update
1	24/06/2020	Schedule 3 x proposed meetings dates and send invitations to MAG members.	Angeline Dewson	completed
2	24/06/2020	Email members to be give option to attend meetings either via Zoom or in person for future meetings; assistance to be given if required to familiarise members with zoom meeting software.	Angeline Dewson	completed
3	24/06/2020	Supply a break-down of the \$6.4 million funding allocation to the group when available.	Paul Needham	waiting on information
4	24/06/2020	Supply links to relevant documents for distribution to the group.	Mathilde Breton	completed
5	24/07/2020	Paul and relevant staff to check list of requests for further information for anything correlating to information provided at the start of the working group.	Paul Needham	in progress
6	24/07/2020	All reports mentioned within presentations to be forwarded for all participants to view:	Angeline Dewson	completed
		1. Heritage Report re: Indigenous heritage of the River		emailed on 13/08/2020
		2. Lower Vasse River water treatment trials 2016-18: synthesis report Can phosphorus-binding clay reduce algal blooms in the Lower Vasse River		Link provided in email of 6/8
		3. Clean Up Lower Vasse River report		Link provided in meeting notes p3 & email of 6/8
7	24/07/2020	Provide email from Stuart Anderson	Angeline Dewson	completed
8	19/08/2020	Removal of build-up debris on the diversion drain valve/screen	Kath/Paul	in progress Greg sent request to EWS to remove debris from screens (19/08)
9	19/08/2020	Contact Vern in next couple of days to discuss leakage from the Golf Course into the LVR	Paul Needham	completed meeting scheduled for 1/09/2020
10	19/08/2020	Provide feedback to Paul for items for next and future agendas	All members	

**PRESENTATION TO THE LOWER VASSE RIVER MANAGEMENT ADVISORY GROUP  
CITY OF BUSSELTON  
19 August 2020**

**INDIGENOUS VALUES OF THE LOWER VASSE RIVER  
by Wadandi Cultural Custodian, Iszaac Webb**

**Presentation - Notes**

- Food sources – Indigenous people used to be able to collect freshwater mussels from the river, can no longer collect freshwater mussels as river in such a state of degradation. The river system has been destroyed in such a small period of time.
- Lack of oxygen and disruption of flows have destroyed the fish nurseries in the river system. This in turn affects fish stock in the river, endangered them; this will also affect the food stock for ocean species as well as dolphins etc., and will produce an overflow effect for the City i.e. loss of tourism and associated industries. Will be a downfall for the City and diversity in the river systems and oceans will be lost. Diversion drains are also pushing pollutants into the bay.
- Rivers are like our blood i.e. arteries are the big rivers, veins being the creeks and tributaries.
- Rivers are the blood of our country of our mother. They are living systems “water is life”.
- We need to get back to celebrating the river by using it – for paddling, swimming and playing in as we did as children. No-one would even get in the river today due to the toxicity and algae bloom problems.
- We need to look at other solutions used around the world to combat the pollution and toxicity of the Vasse River. For example – the methods used by Japanese-Peruvian scientist Marino Morikawa who invented an eco-friendly and highly efficient way to clean lakes. The first ecosystem he undertook was El Cascajo, which is an ecosystem of roughly 50 hectares (123 acres).
- We not need any more studies/reports, we need on the ground action/work to start cleaning up the river systems/waterways – to get things done. There has 3 generations of inter-generational deafness in regard to cleaning up the river.
- The health of the waterways is significant for all of us – mentally, physically and our well-being. Cultural significance isn’t tied down to just the River system, it is symbiotic to all of us and the environment.
- Marron is being killed off because the river is being diverted, separated and altered, thereby destroying the feeding and breeding systems of the marron.
- We need take a holistic approach toward what is happening to the river and how to rectify the problems.
- It was the indigenous custodians’ duty to look after the river symbiotically, and they did that, and they did it well. The river systems were clean and healthy until the responsibility was taken away from the indigenous custodians some 150 years ago. In this very short amount of time the river has into the toxic state it is in today. Some factors that are attributed to the pollution and toxicity are fertilisers used in farming, residential gardens and lawns entering the river systems as run-off that built up nutrients and toxicity in the river.
- Education in the use of native flora instead of introduced species etc. For example, kangaroo grass could be used in place of traditional lawns. We need to understand that we can’t use “wet practices of England” in a dry country like Australia.

the barriers working better? Flush and dredge principle and cutting back on the nutrients needed.

Zac: Agreed with Vern's comments.

Paul: In regard to the Vasse Diversion Drain, the City has had more historical research information provided that informed us that the waterbody we have now have may not follow the natural course it previously did; and that it may have been artificially altered and deepened. Do you have any knowledge of what it used to look like?

Zac: Yes, the river used to meander out at top flood gates. Busselton is actually an island from Wonnerup to Dunsborough but the waterways have been altered and changed. The natural flow was changed and sheared off to create Busselton.

Paul: Is it correct that along some areas of the river (behind the City Admin building?) you would have been able to walk across the river.

Zac: Yes, that is correct. (Zac gave examples of past practices of indigenous people walking across the river to the beach – camping, fishing etc.).

Kath: Commented that she appreciated the inter-connectedness of the systems. Commented on algae spray being the heart attack idea but fixing the whole system where all the nutrients coming in the whole catchment area and nutrients coming off.

Zac: Yes, correct. Need to work with farmers to educate them in the use of fencing off the river, riparian areas to protect the river.

Native vegetation needs to be managed as well as it also become un-manageable. Removing 40% of flower stalks will cut down growth as well as managing fuel loads. Need to reduce bush sizes to manage the native plants.

We need to look at the ecosystems and how we teach people to manage them.

We need a holistic approach to managing the waterways and river system. We need to go back to the catchment and water sources and work our way down to here (Bsn/Dns) – start at the start and go down to the end.

Mathilde: Asked Zac to explain the cultural link between the *new river* and the Vasse River.

Zac: Water, camping kinship to look after these areas – a symbiotic relationship – without the water our animals and flora will DDDDDD from roots of the trees to every rock – animate and inanimate – all are related to each other and depend and need each other.

Tanya: Commented that farmers had re-contoured the land, including clearing, for drainage and food production purposes and that the Vasse Diversion Drain had been built way before she thought in circa 1920's. All of this is continuing to affect the Vasse River today.

Zac: Spoke of farming priorities and issues farmers have practising river protection practices educating them in the use of native species that will survive instead of using the current vegetation/practices they are currently using/doing.

## ITEMS TO BE DEALT WITH BY SEPARATE RESOLUTION (WITHOUT DEBATE)

### 12.3 Finance Committee - 09/09/2020 - BUDGET AMENDMENT REQUEST / REVIEW - ENGINEERING AND WORKS SERVICES - SEPTEMBER 2020

<b>STRATEGIC GOAL</b>	6. LEADERSHIP Visionary, collaborative, accountable
<b>STRATEGIC OBJECTIVE</b>	6.1 Governance systems, process and practices are responsible, ethical and transparent.
<b>SUBJECT INDEX</b>	Budget Planning and Reporting
<b>BUSINESS UNIT</b>	Financial Services
<b>REPORTING OFFICER</b>	Engineering Management Accountant - Stephen Wesley Manager Financial Services - Paul Sheridan
<b>AUTHORISING OFFICER</b>	Director, Engineering and Works Services - Oliver Darby
<b>NATURE OF DECISION</b>	Executive: substantial direction setting, including adopting strategies, plans and policies (excluding local planning policies), tenders, setting and amending budgets, funding, donations and sponsorships, reviewing committee recommendations
<b>VOTING REQUIREMENT</b>	Absolute Majority
<b>ATTACHMENTS</b>	Attachment A EWS - Budget Amendments Table - September 2020 

This item was considered by the Finance Committee at its meeting on 09/09/2020, the recommendations from which have been included in this report.

### COUNCIL DECISION AND COMMITTEE RECOMMENDATION AND OFFICER RECOMMENDATION

**C2009/129** Moved Councillor L Miles, seconded Deputy Mayor K Hick

That the Council endorse the requested budget amendments outlined in this report recognising the additional income received in grant funding and draw down on reserves (\$663,500) for the following projects:

1. *State Blackspot Project – Kaloorup Road Stage 1*
2. *Road Cyclist Safety Innovation*
3. *Peel & Queen Street Roundabout & Service Relocations*
4. *Geographe Bay Road Quindalup*
5. *Wonnerup South Road - Reconstruct and Widening (narrow seal)*

The budget amendment, as outlined within attachment A and in accordance with section 6.8(1) of the *Local Government Act 1995*, results in a \$0 net impact on the 2020/21 annual budget.

**CARRIED 8/0**

**BY ABSOLUTE MAJORITY**

### EXECUTIVE SUMMARY

This report seeks Council approval of budget amendments as detailed in this report. Adoption of the Officer Recommendation will result in a zero impact to the City's budgeted net current position.

### BACKGROUND

In accordance with section 6.8(1) of the *Local Government Act 1995*, a local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure:

- is incurred in a financial year before the adoption of the annual budget by the local government;
- is authorised in advance by Council resolution - absolute majority required;
- is authorised in advance by the Mayor in an emergency.

Approval is therefore sought for the budget adjustments detailed in the attachment for the reasons specified.

#### **OFFICER COMMENT**

Council adopted its 2020/2021 municipal budget on Monday 27 July 2020 with a balanced budget position. Since then, officers have identified budgets that require adjustment. It is good management practice to revise the adopted budget when it is known that circumstances have changed. In keeping with this practice, budgets are reviewed on a monthly basis.

Amendments to the budget are categorised into the three key types as listed below:

- i. Adjustments impacting the budget balance or net position of the City; relatively uncommon type.
- ii. Adjustments with no impact on the budget balance; most common amendment type.
- iii. Adjustments to transfer budget between capital and operating undertakings; relatively uncommon type.

Officers have reviewed the adopted budget for the month of August 2020 and subsequently recommend alterations to the budget as tabled below.

#### **i. Adjustments impacting the budget balance.**

This section identifies items which either increase or decrease the 2020/2021 budgeted operating position. There are no budget adjustment items requiring Councils approval of this type.

#### **ii. Adjustments with no impact on the budget balance.**

There are five budget amendment items of this type detailed below. They are included in the corresponding budget table as an attachment to this report. The net effect on the budget position is zero. These items, if approved will however result in an additional \$663,500 in reserve transfers and an additional drawn down of \$448,000 from the City's Roads to Recovery Program.

These adjustments are where new expenses are matched with new grants or contributions or where reserve offsets are transferred between projects. In some instances it is where requests are made to draw down additional budget from specific reserves for various reasons, or where expenses are reallocated within business units or between projects to meet revised needs.

#### **1. State Blackspot Project – Kaloorup Road Stage 1**

**Cost Code NEW**

On the 24<sup>th</sup> July 2020, the Regional Road Group members were advised that the Shire of Harvey was postponing their State Blackspot project, forfeiting the grant valued at \$267,000.

The Shire of Bridgetown Greenbushes, being next on the Blackspot list of prioritised and assessed projects, did not elect to take up the offer for the extra funding.

State Blackspot grants are provided on a 2/3<sup>rd</sup>-1/3<sup>rd</sup> basis; thus the grantee must co-contribute 1/3<sup>rd</sup> of the funding from their own-source; the amount in this case totals \$133,500.

The City of Busselton, being next in line, has an application to widen a section of Kaloorup Road via the construction of sealed shoulders. The City communicated its intention to accept the funding.

This project will however need to be staged over two financial years as the total estimated cost stands at \$1.248m. By accepting this grant, a portion of the road (western end) representing approximately 32% of the project scope can be brought forward and delivered this financial year. The project will be valued at \$400,500 comprising \$267,000 from Main Roads Blackspot funding pool and \$133,500 from the City of Busselton. The City's Road Asset renewal reserve through appropriate financial management has sufficient funding available to co-fund this unexpected project.

By accepting this grant, the City will automatically qualify for the remaining State Blackspot monies in the following year; subsequently prioritised above the Shire of Harvey and the Shire of Bridgetown Greenbushes.

Based on the above, approval is sought by Council to add this to the 2020/21 budget and to draw down its co-contribution valued at \$133,500 from the Road Asset Renewal Reserve.

## **2. Road Cyclist Safety Innovation**

## **Cost Code NEW**

The City has been successful in securing \$193,954 in grant funding from the Australia Government Office of Road Safety via the Road Safety Innovation Fund. These monies will be paid over a period of three financial years in instalments as shown below.

Year 1 - 2020/21 =	\$97,985
Year 2 - 2021/22 =	\$47,985
Year 3 – 2022/23 =	\$47,984
<b>TOTAL</b>	<b>\$193,954</b>

The Road Safety Innovation Fund is providing \$12 million over four years from 2019–20 to support road safety research and the development of new road safety technologies. The fund targets innovative projects addressing priority areas which include improving road safety in regional and remote areas, reducing driver distraction and drug driving, improving safety for vulnerable road users and supporting road safety research and initiatives specific to the Australian context. Innovation will take the form of road safety management initiatives, new technologies or products and delivery techniques or research that better informs policy development. These initiatives will support the Safe System approach into making road safety 'business as usual' for all road users.

The grant has been awarded to the City to install and research a system for activating driver awareness in lieu of road cyclists sharing the road. It will also evaluate and measure if it increases cyclist's confidence in feeling safe while sharing the road with vehicles. A pilot trial to be established this financial year will compare the effectiveness of two types of signage systems; one being of the traditional static type "cyclist ahead" signage system while the other being of a more innovative electronic based automated "cyclist ahead" signage system. The project will obtain data from cyclists and road users about their experiences. In selecting the locations of these signs, data will be obtained from cyclists on routes that don't currently feature any type of cyclist safety infrastructure.

As part of the grant agreement, the City will be required to co-contribute to the initiative.

For the first year of the grant, the co-contribution by the City will be in the form of in-kind City Staff labour; an estimated \$15,000 for the purchase and installation of both types of signs, inclusive of traffic management costs and \$5,000 for an education and awareness program.

Based on the above, Council approval is sought to draw \$20,000 from the Other Infrastructure Reserve, being the City's contribution towards the project for the first year. If the system is found to be beneficial, it will be installed in four more locations across the City over the following two financial years.

**3. Peel & Queen Street Roundabout & Service Relocations****Cost Code S0070**

The City received a Regional Road Group Grant in 2019/20 to a value of \$500,000 with a City co-contribution of \$250,000 towards these same works. The total budget value therefore being \$750,000.

In the 2019/20 financial year, the City was able to claim 40% of this grant representing \$200,000 in advance of works being carried out. These funds have subsequently been restricted by the City.

At 30 June, due to an administrative error, this budget was not correctly re-listed. The City also received a further 2020/21 allocation from Main Roads for \$300,000 with a City co-contribution of \$150,000 towards these same works.

In summary, the existing budget of \$450,000 for the Peel & Queen Street Roundabout / Service Relocation project (Cost Code S0070) is currently understated by \$750,000. This budget should be \$1,200,000 comprising \$800,000 in Main Roads Regional Road Group Grant and \$400,000 in City funding.

Based on the above, approval is sought from Council to bring the previous year's 2019/20 budget back onto the 2020/21 budget.

In order to achieve this, \$250,000 needs to be drawn down from the City's Road Asset Renewal Reserve that ordinarily would have already been drawn down had the budget carry over been made.

Further to the above, there needs to be a corresponding increase to the expenditure budget of \$750,000 and an increase to the Grant Revenue Budget of \$300,000.

**4. Geographe Bay Road, Quindalup****Cost Code W0121**

A \$730,000 budget has been adopted by Council to reconstruct a 1.6km section of Geographe Bay Road in Quindalup that consists of road seals that are between 40-45 years of age. The original estimate was based on a preliminary evaluation and site walk through and considered part complete road reconstruction and part road re-seals.

Upon further and more detailed investigation, the scope of works has been increased requiring a full reconstruction for the project length, with the project now estimated to cost in the order of \$990,000; an increase of \$260,000. Some parts of the road were originally earmarked for a more basic asphalt overlay but due in part to infill sewer works that have occurred in the area recently and the overall condition of the road generally, it makes far better sense to reconstruct a larger section of this road than was previously determined. It has been calculated that instead of a 50/50 asphalt overlay and reconstruction this has been revised to a 15/85 asphalt overlay to reconstruction. These works will also involve improvements to drainage and there will be an increased number of property reinstatements. Ultimately, the increased reconstruction scope will be more costly but will represent better value to the ratepayer over the longer term.

Based on the above, approval is sought by Council to draw an additional \$260,000 from the Road Asset Renewal Reserve.

With all the above adjustments being made, a total of \$643,000 will be transferred from the Road Asset Renewal Reserve leaving a balance of \$477,331 in the reserve.

**5. Wonnerup South Road - Reconstruct and Widening (narrow seal) Cost Code T0019**

The Wonnerup South Project consists of approximately five kilometres of reconstruction and widening of an existing poor condition narrow sealed country road. Over the last five years, the City has had a program whereby it has targeted the City's narrow sealed country roads to improve their safety and reconstruct before road failure.

On this particular project, due to winter weather, works on this road ceased in early June at a point to avoid disruption through the winter season. Unfortunately, due to an administrative error through the budget process, this project budget was not correctly re-budgeted and funds to complete the full length of Wonnerup South Road were omitted. In order to complete the project, an amount of \$448,000 will be required.

The funds from this project will come from the City's Roads to Recovery 5 year program (2020-2025) balance. After financial year-end balancing of the program, there remains \$513,670 in funding available. To this end, Council's approval is sought to draw down an additional \$448,000 from the available Roads to Recovery allocation.

**iii. Transfers between capital and operating budget.**

This section is intended to identify any items which reallocate funds between the Capital Budget and Operating Budget. These items do not change the overall budget. There are no items detailed in the attachment requiring Council approval in this period.

**Net Budget Position**

After making the above adjustments, the budget position remains unchanged from budget adoption. Adjustments made to the Municipal Cash Budget is nil.

**Statutory Environment**

Section 6.8 of the *Local Government Act 1995* refers to expenditure from the municipal fund that is not included in the annual budget. Any adjustments to a budget allocation must be made by an absolute majority decision of the Council. Additionally, where no budget allocation exists, expenditure is not to be incurred until such time as it is authorised in advance, by an absolute majority decision of the Council.

**Relevant Plans and Policies**

The proposed budget amendment is supported by the City's asset management plan, capital works program and long term financial plan.

**Financial Implications**

A summary of the financial implications of these recommendations is shown in the table below. Corresponding details required in order to process the accounting changes in the budget are contained within the table attachment to this report.

Reference	Description	Project Code	Additional External Revenue	Utilisation of Revenue Received in Prior Years	Additional Expenditure	Impact on Budget	Impact on Reserves
1	State Blackspot Project – Kaloorup Road Stage 1	NEW	267,000	-	400,500	-	(133,500)
2	Road Cyclist Safety Innovation	NEW	97,985	-	117,985	-	(20,000)
3	Peel & Queen Street Roundabout & Service Relocations	S0070	300,000	200,000	750,000	-	(250,000)
4	Geographe Bay Road Quindalup	W0121	-	-	260,000	-	(260,000)
5	Wonnerup South Road - Reconstruct and Widening (narrow seal)	T0019	448,000	-	448,000	-	-

### **Stakeholder Consultation**

No external stakeholder consultation was required or undertaken in relation to this matter.

### **Risk Assessment**

An assessment of the potential implications of implementing the Officer Recommendation has been undertaken using the City's risk management framework, with risks assessed taking into account any controls already in place. There are no risks identified of medium or greater level.

### **Options**

The Council could decide not to go ahead with the proposed budget amendment request.

### **CONCLUSION**

Council's approval is sought to amend the budget as per the details contained in this report.

### **TIMELINE FOR IMPLEMENTATION OF OFFICER RECOMMENDATION**

Should the Officer Recommendation be endorsed, the associated budget amendment will be processed within a month of being approved.

**BUDGET AMENDMENTS TABLE - ENGINEERING & WORKS SERVICES - SEPTEMBER 2020**
