Cultural Discovery Survey

The Shire of Busselton is inviting you to contribute your views towards the Local Cultural Planning Strategy through this survey.

Planning for culture in the Shire of Busselton involves asking questions about lifestyle and community values, such as 'How do you keep your community and cultural identity in the face of rapid population growth?' or 'How do you manage the change and protect quality of life, whilst welcoming and including new residents and visitors?'

The development of a Local Cultural Planning Strategy, as part of a review of the Town Planning Scheme, aims to address these issues by incorporating arts and culture into land use planning and supporting existing and additional cultural sites, infrastructure and experiences.

The survey can be accessed online at

www.busselton.wa.gov.au/tps/cultural and copies are available at:

ArtGeo Gallery on Queen Street
Shire of Busselton Front Counter

Dunsborough Centrepont
