Queen Street Upgrade

As a part of the continued upgrade of Queen Street, the Council has funding allocated for the upgrade of kerbing, drainage, and paving along Queen Street between Prince Street and Kent Street, Busselton.

The Stage 1 upgrade works will include:

- New kerbing along both edges of the roadway including brick paved islands
- Gravel (ochre) coloured asphalt in parking bays
- New brick paving of footpath areas
- Upgrade of drainage connections from adjacent buildings to Council drainage system
- Provision of upgraded street furniture including seats and bins

Stage 2 of the works will include:

- Intersection treatment works at Prince and Queen Street following the council meeting outcome on 13 May 2009

Stage 1 works commenced on Monday, 4 May 2009 with the majority of works taking place in May and June 2009.

Stage 2 works will commence following the council resolution on 13 May 2009.

Whilst the works are being carried out Shire staff will endeavour to provide access past and around the worksite where permissible, to minimise business disruptions. However road closures will be in place from time to time and motorists and pedestrians are advised to abide by the worksite signage, as parking and pedestrian disruptions will be unavoidable.

Shire staff will endeavour to notify adjacent business proprietors when disruptions to parking and pedestrian traffic are imminent.

Should you have any queries or concerns regarding the works please contact the Shire on **9781 0444**.
