Items Identified for Debate (Pulled Items)

Item No and Title	Pulled By	Page No	Reason	Alternative Motion
15.1 - Ford Road	Cr Binks	19-34	The construction of Ford Road cannot be sufficiently justified as it will be an extremely expensive exercise that will benefit only a small percentage of residents of the Shire. It will also have significant and undesirable implications on the delicate Wetlands area.	<p><i>Note: Cr Emery and Cr Stubbs will both declare an Interest Affecting Impartiality in relation to this item.</i></p> <p>That Council deletes Alternative 2 from the Officers Recommendation, and adopts Alternative 1 only.</p>
15.1 - Ford Road	Cr Stubbs	19-34	It makes good sense to carry out a Benefit Cost Analysis if the report from the Appeals Convenor's Office is favourable.	That Officer Recommendation Alternative 2 be adopted but without clause (h).
16.2 - Margaret River Region Wine Festival 2009 Sponsorship	Cr Binks	37-41	<p>The event will be taking place one week following the Council meeting of 8 April. It is now too late for the Shire of Busselton to be included in the marketing and promotional package for the event and as such will be extremely limited in receiving the benefits of sponsoring the event.</p> <p style="text-align: center;"><i>(Continued over page)</i></p>	<ol style="list-style-type: none"> 1. That the Council declines to sponsor the Margaret Rive Wine Region Festival for 2009. 2. That the Council invites event organisers to present the Shire of Busselton with a sponsorship proposal for the 2010 event with sufficient notice as to be included in the marketing and promotions campaign for the 2010 Margaret River Wine Region Festival, should the Council resolve to participate.

Item No and Title	Pulled By	Page No	Reason	Alternative Motion
16.2 <i>(Continued)</i>	Cr Binks	37-41	The invitation to have event organisers present a sponsorship proposal sooner will facilitate the Council being able to participate fully in the 2010 Festival marketing and promotional campaign, thus receiving the full benefit of Sponsorship.	
17.1 - Local Government Structural Reform Considerations	Cr Stubbs	42-48	The Council should not focus on amalgamation and should not just focus on Augusta Margaret River.	<ul style="list-style-type: none"> (a) That Officer Recommendation 1 be adopted. (b) That Officer Recommendation 2 not be adopted and that the Council endorse a reform project team comprising the Shire President, CEO and two other Councillors to meet and discuss reform issues with neighbouring Shires and any other appropriate Local Government in the South West as the project team thinks fit. (c) That Officer Recommendation 3 be adopted. (d) That Officer Recommendation 4 not be adopted and that the Council endorse an application for \$40,000 funding to assist with the above. (e) That Officer Recommendation 5 be adopted. (f) That a new paragraph 6 be added "That the Council's preferred outcome from the reform process be to enhance resource sharing and co-operation with neighbouring Shires and all South West Local Governments via a Regional Local Government and/or a voluntary Regional Organisation of Councils."
