I'm a proud Dunsborough local, dedicated to shaping the future of our community. I volunteer at local sporting clubs and enjoy time with my family in the beautiful environment that makes our region such a great place to live. I believe that while we showcase our region as a leading tourist destination, we must also preserve our unique legacies, prioritise affordability, and ensure that facilities, services, and opportunities truly support families, communities, and local businesses in our region.

Commitments:

Support genuine community engagement where every voice is valued.

Endeavour to keep rates fair to protect household budgets.

Fight to protect the natural environment and heritage we treasure.

Advocate to keep our beaches open for dog walking.

Champion improved sport and recreation facilities for our community.

Support sustainable tourism that grows local businesses year-round.

Advocate for better transport and essential services.

Listen carefully and act on what matters most to you.
