I'm Farrah, and I would be honoured to represent our community as a Councillor for the City of Busselton. I bring 27+ years of administration experience across government, corporate, and NFP sectors, working closely with Boards, leaders, and business owners in industries from health and community services to tourism, arts and sport. As Executive Officer of the Dunsborough Yallingup Chamber, I support local businesses and assist the Steering Committee guiding its unification with the Busselton Chamber. I am also the owner of Lady Monday Virtual Assistant, giving me first-hand insight into the challenges and opportunities facing small businesses in our region. Beyond work, I am a Mental Health First Aider, an active breast cancer survivor, fundraiser, and the 2016 Mother & Baby Magazine "Mother of the Year." Living in Dunsborough with my husband and two children, I understand the realities families face and will focus on transparency, smart growth, community wellbeing, and collaboration.
