## HENLEY, Grant

I have lived in Busselton since 2001 after serving in the Navy for 20 years. I have raised my family here and have connections to many clubs and organisations. I have had the honour of serving on the Council for 12 years and I'm proud to have been Mayor for the last 6 years. It has been rewarding to see Busselton grow into one of the best places to live, work and play in Australia. This does not come without challenges but I have always endeavoured to make informed decisions through research, consulting community and expert advice. If re-elected I will continue to strive for growth that balances the needs of our community and the environment we all love. I pride myself on my integrity, honesty, and approachability. I am passionate about this community and hope you trust me with your vote.
