KAIGG, Valerie

I have been a Busselton resident for more than 30 years.

I have been unsuccessful in my previous nominations.

I am not a quitter thus my reason for renominating this election.

If elected I will represent you my community with the energy, passion, dedication and commitment needed to help make the informed decisions being guided from listening to the things that matter to you most.

I will fight to represent your voice at council meetings.

I would very much appreciate your tick of support this election
