Green Waste FREE PASS

CATEGORY **1**

All Lots 1,100m² or less

For properties with habitable buildings*

Grasses and weeds to be kept under 10cm.

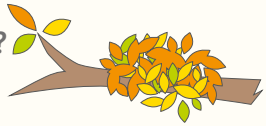

House gutters to be kept clear of materials.

Flammable material to be managed or moved 5m from buildings.

What is flammable material?

Dead vegetation, piles of firewood that are stored against the buildings and fuels. Living vegetation is excluded from this definition.

* *Habitable buildings are structures people live or work in.*

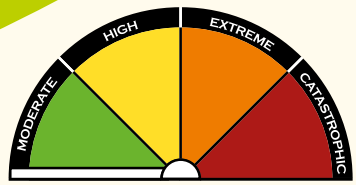

Vacant Lots

Maintain grasses and weeds

Under 10cm. Material from slashing must be removed from the block.

If there is a Current Bushfire Management Plan that applies to your property you are required to also ensure that the requirements of that plan are implemented in addition to your responsibilities under this notice.

EXAMPLE ONLY
