4.2 QUESTION TIME FOR PUBLIC

Public question time procedures and guidance

Public question time allows members of the public to participate in local government by asking questions of the Council in relation to issues affecting the City. It also assists the City in identifying issues of importance to the community and assists the public to be better informed about how the City is governed.

- The City will allocate a minimum of 15 minutes and a maximum of 30 minutes per Council meeting for public question time.
- Members of the public should register their intent to ask a question at a Council
 meeting by completing and submitting the <u>Public Question Time form</u> before 4pm the
 day prior to the relevant meeting.
- Members of the public will be invited to ask their question in order of registration.
- Questions will be limited to three per person. Additional questions may be permitted by the Presiding Member where time permits.
- Where a person is not present to ask their submitted question it will be responded to administratively as general correspondence.
- Questions may be taken on notice, to be responded to at a later time by the CEO in accordance with clause 6.7 of the Standing Orders.
- Public question time is for the tabling of questions, not for members of the community to make statements. For context, the Presiding Member may allow a short preamble.
- Questions containing defamatory remarks or offensive language, or that question the
 competency or personal affairs of Elected Members or employees may be ruled
 inappropriate by the Presiding Member subject to the Presiding Member taking
 reasonable steps to assist the member of the public to rephrase the question.
- There will be no debate or discussion on the response provided.

For further information, please see the <u>Meetings, Information Sessions and Decision Making Processes Policy</u>.

EXECUTIVE SUMMARY

This report provides details of payments made from the City's bank accounts for the month of October 2024 for noting by the Council and recording in the Council Minutes.

STRATEGIC CONTEXT

Provision of the list of payments, while a statutory requirement, also supports open and accountable governance.

BACKGROUND

The Local Government (Financial Management) Regulations 1996 (the Regulations) requires that, when the Council has delegated authority to the CEO to make payments from the City's bank accounts, a list of payments made is prepared each month for presentation to, and noting by, the Council.

OFFICER COMMENT

In accordance with regular custom, the list of payments made for the month of October 2024 is presented for information.

Statutory Environment

Section 6.10 of the *Local Government Act 1995* (the Act), and more specifically Regulation 13 of the Regulations, refer to the requirement for a listing of payments made each month to be presented to the Council.

Relevant Plans and Policies

Not applicable.

Financial Implications

Not applicable.

OFFICER RECOMMENDATION

That the Council receives the statutory monthly financial report for the period ending 31 October 2024, pursuant to Regulation 34(4) of the *Local Government (Financial Management) Regulations* 1996.

EXECUTIVE SUMMARY

Pursuant to Section 6.4 of the *Local Government Act 1995* (the Act) and Regulation 34(4) of the *Local Government (Financial Management) Regulations 1996* (the Regulations), a local government is to prepare, on a monthly basis, a monthly financial report that reports on the City's Statement of Financial Activity, Statement of Financial Position, and its performance in relation to its adopted / amended budget.

This report has been compiled to fulfil the statutory reporting requirements of the Act and associated Regulations, whilst also providing the Council with an overview of the City's financial performance on a year-to-date basis, for the period ending 31 October 2024.

STRATEGIC CONTEXT

Provision of the monthly financial report, while a statutory requirement, also supports open and accountable governance.

BACKGROUND

The Regulations detail the form and manner in which the monthly financial report is to be presented to the Council, and is to include the following:

- Annual budget estimates;
- Budget estimates to the end of the month in which the statement relates;
- Actual amounts of revenue and expenditure to the end of the month in which the statement relates;
- Material variances between budget estimates and actual revenue/expenditure (including an explanation of any material variances);
- The net current assets at the end of the month to which the statement relates (including an explanation of the composition of the net current position); and
- Statement of Financial Position

Additionally, and pursuant to Regulation 34(5) of the Regulations, a local government is required to adopt a material variance reporting threshold in each financial year.

At its meeting on 31 July 2024, the Council adopted (C2407/206) the following material variance reporting thresholds for the 2024/25 financial year:

That pursuant to Regulation 34(5) of the Local Government (Financial Management) Regulations, the Council adopts a material variance reporting threshold with respect to financial activity statement reporting for the 2024/25 financial year as follows:

- Variances equal to or greater than 10% of the year-to-date budget amount as detailed in the Income Statement by Nature and Type/Statement of Financial Activity report, however variances due to timing differences and/or seasonal adjustments are to be reported only if not to do so would present an incomplete picture of the financial performance for a particular period; and
- Reporting of variances only applies for amounts greater than \$50,000.

OFFICER COMMENT

To fulfil statutory reporting requirements and to provide the Council with a synopsis of the City's overall financial performance on a year-to-date basis, the following financial reports are attached hereto (Attachment 1):

Statement of Financial Activity

This report provides details of the City's operating revenues and expenditures on a year-to-date basis, by nature (i.e. description). The report has been further extrapolated to include details of non-cash adjustments and capital revenues and expenditures, to identify the City's net current position; which reconciles with that reflected in the associated Net Current Position report.

Statement of Financial Position

A statement of financial position is a financial statement that summarises the reporting entities assets (what it owns), liabilities (what it owes), and equity (assets less liabilities) on a particular date.

Basis of Preparation Note (Note 1)

Explains the regulatory framework upon which the financial statements have been prepared.

Statement of Financial Activity Note (Note 2)

Explains the non-cash items that have been excluded from the calculation of the Net Current Position in the Statement of Financial Activity.

Explanation of Material Variances Note (Note 3)

Provides a breakdown by directorate and cost centre of each of the variances on the face of the Statement of Financial Activity that meet the Council's adopted material variance threshold for 2024/25.

Net Current Position Summary Report

This report provides details of the composition of the net current asset position on a year-to-date basis and reconciles with the net current position as per the Statement of Financial Activity.

Capital Acquisition & Construction Report

This report provides full year budget performance (by line item) in respect of the following capital expenditure activities:

- Land and Buildings
- Plant and Equipment
- Furniture and Equipment
- Infrastructure

This report outlines the actual and budgeted movement from the start of the financial year to date, that result in the balances listed in the Statement of Financial Position for Property, Plant & Equipment.

Reserve Movements Report

This report provides summary details of transfers to and from reserve funds, and associated interest earnings on reserve funds, on a full year basis.

Additional reports and/or charts can be provided as required to further supplement the information comprised within the statutory financial reports.

Net Current Position Chart

Tracks the net Current Position over the year in comparison to previous 4 years.

Comments on Financial Activity to 31 October 2024

The Statement of Financial Activity (FAS) for the year to date (YTD) shows an overall Net Current Position (NCP) of \$45.7M as opposed to the YTD budget of \$48.2M. The following table summarises the major YTD cash variances that appear on the face of the FAS, which, in accordance with Council's adopted material variance reporting threshold, collectively make up the above difference.

Each numbered item in this lead table is explained further in note 3 of the attached Monthly Financial Report.

Investment Report

Pursuant to the Council's Investment Policy, a report is to be provided to the Council monthly, detailing the investment portfolio in terms of performance and counterparty percentage exposure of total portfolio. The report (see attached) is also to provide details of investment income earned against budget, whilst confirming compliance of the portfolio with legislative and policy.

A brief summary of the details contained in the report are as follows:

As of 31 October 2024, the value of the City's invested funds increased to \$119.79M from \$109.29M as of 30 September 2024. The increase is due to rates funds received.

As of 31 October 2024, the 11am account balance is \$7.5M, being a decrease from \$22.0M from 30 September 2024. The decrease of \$14.5M to the 11am account is due to the opening of new term deposits.

During the month of October, no term deposits matured. However, six new deposits were opened for a further 217 days at 5.02% on average

The official cash rate remained steady during the month of October 2024 at 4.35%. The timing and nature of further movements of the cash rate are currently uncertain.

Borrowings Update

During the month no new loans were drawn, with \$470K of principal and \$51K of interest repaid on existing loans. The attached Loan Schedule outlines the status of all existing loans YTD.

<u>Chief Executive Officer – Corporate Credit Card</u>

Donations & Contributions Received

To the best of officer's knowledge, during the month no non-infrastructure assets (bridges, roads, POS etc), donations or contributions were received by the City or its key management personnel.

Statutory Environment

Section 6.4 of the Act and Regulation 34 of the Regulations detail the form and manner in which a local government is to prepare financial activity statements.

Relevant Plans and Policies

The officer recommendation aligns to the following adopted plan or policy:

Plan:

Annual Adopted Budget 2024-2025 (and subsequent adopted amendments)

<u>Strategic Community Plan 2021-2031</u>

<u>Corporate Business Plan 2022-2026</u>

<u>Long Term Financial Plan 2022/23 - 2031/32</u>

Policy:

There are no relevant policies for this report.

Financial Implications

Any financial implications are detailed within the context of this report.

External Stakeholder Consultation

Not applicable.

Risk Assessment

An assessment of the potential implications of implementing the officer recommendation has been undertaken using the City's risk management framework, with risks assessed taking into account any controls already in place. No risks of a medium or greater level have been identified.

Options

The Statements of Financial Activity are presented in accordance with Section 6.4 of the Act and Regulation 34 of the Regulations and are to be received by Council. Council may wish to make additional resolutions as a result of having received these reports.

CONCLUSION

As of 31 October 2024, the City's net current position stands at \$45.7M, and cash reserve balances remain sufficient for their purposes.

CITY OF BUSSELTON
NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
For the period ended 31st October 2024

Note 1 BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PREPARATION

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the Local Government Act 1995 read with the Local Government (Financial Management) Regulations 1996, prescribe that the financial report be prepared in accordance with the Local Government Act 1995 and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the City to measure any vested improvements at zero cost.

Local Government (Financial Management) Regulations 1996, regulation 34 prescribes contents of the financial report. Supporting information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the City controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

Judgements and estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimated fair value of certain financial assets
- impairment of financial assets
- estimation of fair values of land and buildings, infrastructure and investment property
- estimation uncertainties made in relation to lease accounting
- estimated useful life of intangible assets

SIGNIFICANT ACCOUNTING POLICES

Significant accounting policies utilised in the preparation of these statements are as described within the 2023-24 Annual Budget. Please refer to the adopted budget document for details of these policies.
