Have Your Say

Open Projects

Community Safety Action Plan- closing soon

The City of Busselton, in partnership with a number of agencies, is working collaboratively to develop a Community Safety Action Plan.
The survey closes 5.00pm on Sunday 5 July 2026.

Project update

Kent Street Bus Stop Artwork

Consultation ran from 26 May to 16 June 2026, with a number of comments and suggestions made online and in person. Officers will review all ideas and work with an artist to develop some concept designs.

To keep up to date with the City's community engagement opportunities, including open surveys, workshops and pop ups, information about next steps for recently closed consultations, advertised development applications and other planning and economic development opportunities, visit **Your Say Busselton**.

www.yoursay.busselton.wa.gov.au

Works around your neighbourhood

The City is continually undertaking works around the City.
Please slow down and show caution around work sites.
The following are some current or upcoming works.

- Northerly Street closure (July 2026)
- Blythe Road - Road works (July 2026)
- Dunn Bay Rd, Dunsborough footpath closure (July 2026)

To keep up to date or view upcoming works, please scan the QR code or visit the City's website.

Public Notices

Notice of Temporary Road Closure – Cabin Fever – Food Truck Frenzy – 17 July 2026

It's the 10th Anniversary of **Cabin Fever!** **Cabin Fever** event organisers, Ahoy MGMT, along with support from the City of Busselton are pleased to present Food Truck Frenzy, a family friendly community food and entertainment event to be held at Saltwater, Busselton.

Queen Street between Marine Terrace roundabout and Adelaide Street roundabout will be closed from 4.00pm – 10.00pm on Friday 17 July.

Road closure signs and associated detours will be in place. The City apologises for any inconvenience caused.

Planning and Development Act 2005 Structure Plan Amendment available for inspection Proposed Amendment No. 8 – Dunsborough Lakes Structure Plan, Lot 9075 Waterville Road Dunsborough

The City of Busselton advises a structure plan amendment has been lodged to the Dunsborough Lakes Structure Plan (Amendment No. 8) to guide the future development of Lot 9075 Waterville Road, Dunsborough.

The purpose of the proposed amendment is to modify the future zoning, subdivision and provide development guidance of the subject site.

The City is welcoming comments on the proposed structure plan with the proposal open for community consultation until **Friday 24 July 2026**.

Please visit the City of Busselton's online engagement portal:

<https://yoursay.busselton.wa.gov.au/dp25-0005> or scan the adjoining QR code to lodge a submission or to access further information.

Hard copies of the proposal are available for inspection at the City of Busselton Offices, 2 Southern Drive, Busselton, during office hours.

Submissions close 4.30pm on Friday 24 July 2026.

Did you know?

Did you know Plastic Free July started in WA?
It's now a global initiative helping millions reduce single-use plastics.

Consider these plastic-free habits this July.

- Buy unwrapped fresh fruit and vegies
- Switch to shampoo bars
- Wear natural fibres
- Shop at your local market
- Reuse what you already have

Small actions add up and every choice helps keep our local environment healthy.

For more info visit www.plasticfreejuly.org/get-involved/

Buy your firewood where you burn it!

We can all help prevent the spread of PSHB this winter

DO NOT move wood or plants from the Perth metro area. Polyphagous-shot-hole-borer (PSHB) does not move far on its own but can travel long distances when people move firewood or plants.

Save our south west trees! This beetle is highly invasive and attacks a wide range of plant species.

For more info scan QR code or visit www.agric.wa.gov.au/borer

NAIDOC WEEK

Busselton Foreshore

H5 Bird Flu confirmed in Western Australia

The serious and highly contagious H5 strain of bird flu has spread quickly across the world. State and federal agencies are delivering a response to bird flu in Australia and it's important for us all to stay informed and prepared.

If you find multiple dead birds or other animals, do not touch them. Instead, take photos or a video, record your location and report it to the **Emergency Animal Disease Hotline on 1800 675 888.**

Here's what you should know

- H5 bird flu is a viral disease that primarily affects birds but can infect other animals, such as marine mammals. The likelihood of humans becoming infected is low.
- H5 bird flu can spread to Australia through the movement of migratory birds.

How can you help?

If you keep pet birds or backyard chickens here's some simple steps you can take to help:

- Keep wild birds away from your birds by using netting or housing.
- Keep bird feed and water out of reach from wild birds.
- Keep aviaries and equipment clean.
- People should take steps to keep pets away from wildlife, including preventing cats from roaming and keeping dogs on leads in wildlife areas.

For more information scan QR code or visit www.birdflu.gov.au

Confused by Technology? Busnet Computer Club can help!
