About this Report

The Annual Report 2016-2017 is divided into five parts:

PART ONE

Overview

This part includes messages from the Mayor and Chief Executive Officer; Council membership details; a profile of our District and the City's organisational structure.

PART TWOStrategic Community Plan2013 (Review 2015) Progress

The progress of our services, priority actions and major projects undertaken in 2016-2017 is summarised in this section. Progress is described in six parts, which correspond to the six Key Goal Areas of the Strategic Community Plan. Each part lists the projects and achievements that align with the community objectives of each Key Goal Area.

Responsibility for and progress against each action is demonstrated by the use of the following symbols:

PART THREE

Regulatory Requirements

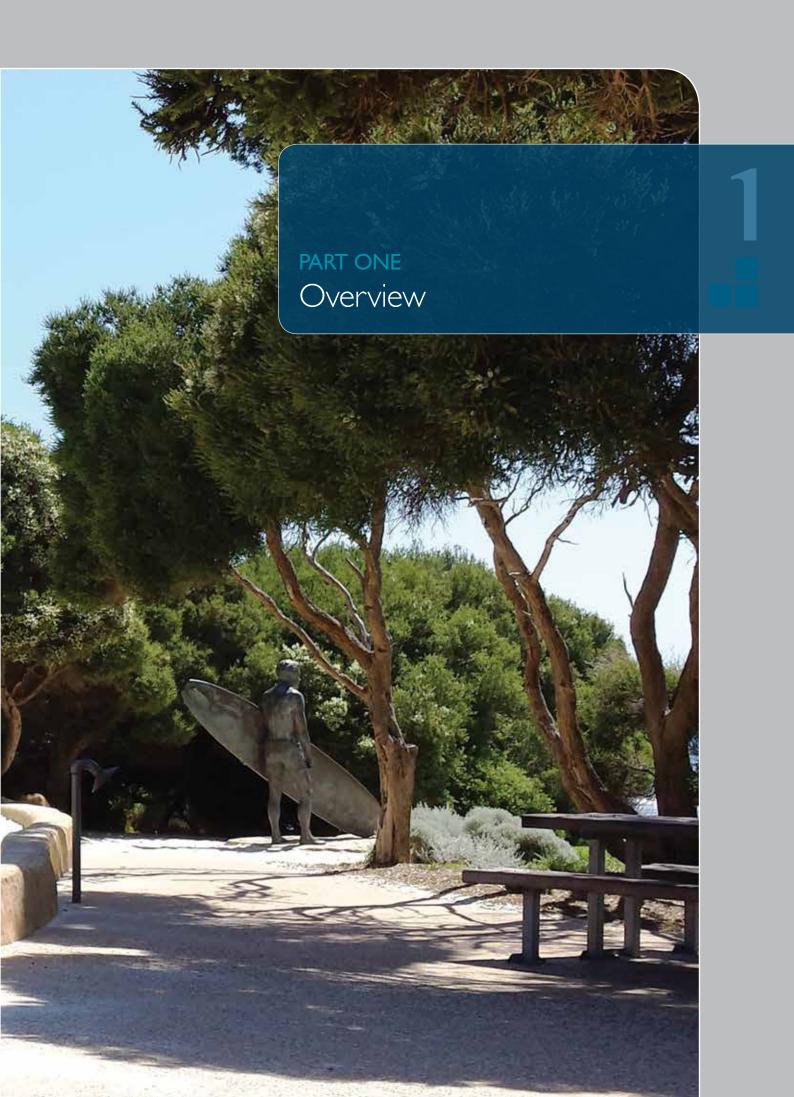

Section 5.53 of the Local Government Act 1995 requires that certain aspects of Council operations must be included in the annual report. Provisions not already covered in other sections of this annual report are explained in this part.

PART FOUR Financials

The financial position of the City is reflected in the financial statements for 2016-2017 and demonstrates the City's commitment to financial sustainability and accountability to our community.

PART FIVE Measuring Our Performance

Key Performance Indicators measure the City's operational effectiveness, progress towards accomplishing our priority actions and the standard of services provided.

Following a very productive year, we are pleased to present the City of Busselton's annual report.

Sound financial planning enabled us to invest in several major capital works projects to service the current and future needs of our growing City. These projects include the Busselton Margaret River Airport Development Project, the Busselton foreshore redevelopment and Dunsborough townscape works. We've also invested in the development of new sporting facilities at Barnard Park and Vasse, improving essential waste management infrastructure, securing Watercorp land at Dunsborough Lakes for use as a future outdoor recreation area, and expanding the City's cycle ways and pedestrian paths.

Our collaborative work with the Federal and State Governments to progress

the Busselton Margaret River Airport Development Project was acknowledged on I February with a sod turning event. Federal government investment in the project has enabled the international potential of the airport to be realised, and national airlines have signalled keen interest in establishing routes to Melbourne and Sydney from 2018. Confidence in the project continues to grow stronger in the community and key industry stakeholders remain committed to this major project.

The year also saw the completion of Railway House, integrating the original Busselton Railway Station with an interpretive centre and function space; the Busselton Visitor Centre and the Busselton Jetty Administration Centre. The fifth sculpture in the Busselton Settlement Art Project was also commissioned. The sculpture, which will honour our Aboriginal past, has been generously supported by developer contributions to our 'Percent for Art' Scheme.

Other major highlights include the completion of the new Busselton Waste Transfer and Recycling Centre, commencement of the construction of the Youth and Community Activities Building and the establishment of the Central Queensland University (CQU) study facilities in the City.

We also celebrated the practical completion of our Civic and Administration Centre which was open to the public in late May.The centre has been designed with future generations and growth in mind, and provides an exceptional, modern facility for community and civic functions.

The City continues its focus on upgrading narrow sealed roads throughout the district with work in the Metricup, Yelverton and Tutunup areas occuring.

Overall, Council and staff have worked hard to create an environment conducive to positive community and economic growth. We aim to continue to achieve many great results for all residents and visitors to our District.

Where environment lifestyle and opportunity *meet*!

Under the banner of 'VISION 2030', the City's three month community engagement project informed the review of the City's strategic community plan resulting in Council adopting the new Strategic Community Plan 2017 (SCP) on 12 April 2017.

The SCP 2017 contains a new vision for our community and provides a strong sense of identity and direction. This vision - 'where environment, lifestyle and opportunity meet' represents what the community told us is important to them; primarily our environment and natural surrounds and the lifestyle we enjoy, while also recognising the importance of building on the opportunities available to us through growth and development.

The SCP 2017 is not new in its direction; rather it builds on and enhances the strategic community plan adopted in 2013. There are however some important changes in focus.

These are outlined in the table following.

In July 2016 the City launched a comprehensive review of its strategic direction to ensure that the focus and decisions of Council continue to align with the community's vision and aspirations.

| 2017 Strategic | 2013 Previous Strategic |
|---|--|
| Community Plan | Community Plan |
| Vision | Vision |
| Where environment, lifestyle and opportunity meet | A vibrant and cohesive community that protects its natural environment, meets the needs of its population and ensures that future development maintains the City's unique character; lifestyle and community values. |

| 6 Leadership: visionary, collaborative, accountable | 6 Open and collaborative leadership |

This annual report details progress and achievements in pursuit of our community objectives outlined in the City's Strategic Community Plan 2013 (Review 2015). The new Strategic Community Plan 2017 will continue to guide us in determining our decisions and direction as we work towards achieving our community's vision and objectives.

Airport Advisory Committee

This committee provides an ongoing forum for liaison, cooperation and discussion of all issues related to the Busselton Margaret River Airport (BMRA) and makes recommendations to Council on matters associated with the future development of the BMRA.

Audit Committee

In accordance with Section 7.1A(1) of the Local Government Act 1995, this committee assists Council to fulfill its corporate governance, stewardship, leadership and control responsibilities regarding financial reporting, internal audit and risk management.

Bush Fires Advisory Committee

The committee provides advice to Council on matters relating to bush fire control, prevention and management.

Busselton Settlement Art Project Steering Committee

This committee raises funds and oversees the commissioning of sculptures for the Busselton Settlement Art Project.

CapeROC

CapeROC is a voluntary and cooperative joint initiative between the City of Busselton and the Shire of Augusta-Margaret River. CapeROC seeks to enhance the capacity of both local governments to deliver social, economic and environmental benefit to their communities and the region.

Finance Committee

The Finance Committee is established for the purpose of assisting the Council to undertake its role under Section 5.8 of the Local Government Act 1995, to oversee the allocation of the local government's finances and resources.

Local Emergency Management Committee

Pursuant to Section 39 of the Emergency Management Act 2005 the Committee provides skills, knowledge and advice to assist the City of Busselton in ensuring that local emergency management arrangements are established for the district.

Meelup Regional Park Management Committee

The committee annually reviews the five year plan of capital, operating expenditure and income for Council endorsement and cares for, controls and manages all areas of Meelup Regional Park, except any areas specifically excluded by Council.

Policy and Legislation Committee

The Policy and Legislation Committee assists the Council to determine its policies and to carry out its legislative function by reviewing the City's delegations and policies, Local Laws and other delegated legislation, and to consider and advise Council on significant policy or legislative implications or matters.

Regulatory Requirements

Disability Access and Inclusion Plan 2014-2018 (DIAP)

Our continued focus to improve universal access to City services and facilities during the year resulted in the following achievements:

- Upgrade of the viewing platform on the beach at the rear of Ray Village retirement complex.
- Remarking of ACROD bays in the Mitchell Park carpark.
- Installation of tactile markers near the corner of West and Kent Street.
- Installation of an audio loop in the Council Chambers and main function room to improve sound

source transmission to hearing impaired listeners.

- Funding provided to community groups to install ramps for building accessibility.
- Arrangements completed for the purchase of portable tablets to provide library services directly to people who cannot attend the libraries.
- The implementation of a new library management system enabling live library catalogue information access at three aged care facilities and providing residents with expedient information about the availability and delivery of library resources.

- Installation of pathways that connect;
 - Freycinet Drive beach front to a local café,
 - Luke Way public access way to Guerin Street public open space,
 - Strelly Street to Community Gardens Café (Roe Street),
 - Alpha Road link from southern area (aged care area) to location of traffic lights at the entry of the Busselton Hospital,
 - Medusa Way and Ostia Way, and
 - Clydebank Avenue to Grace Court (adjacent to the Bussell Highway).

Works were also completed at Lou Weston Oval to improve pedestrian and cyclist traffic in the vicinity of the Geographe Yacht Club.

All works throughout the City comply, where necessary, with DIAP requirements.

Regulatory Requirements

Records

Recordkeeping Plan

The City's amended Recordkeeping Plan was approved by the State Records Commission on 12 August 2016. When assessed against the State Records Recordkeeping Maturity Model, most of the City's recordkeeping practices achieved a maturity rating of 3 (effective).

Recordkeeping Training and Systems

A total of 45 new employees took part in the City's online recordkeeping induction program. One-on-one training in the record keeping system was provided to 29 new employees and refresher training provided as needed.

Register of Complaints of Minor Breaches

In 2016-2017 there were no complaints of this nature received.

Employee Remuneration

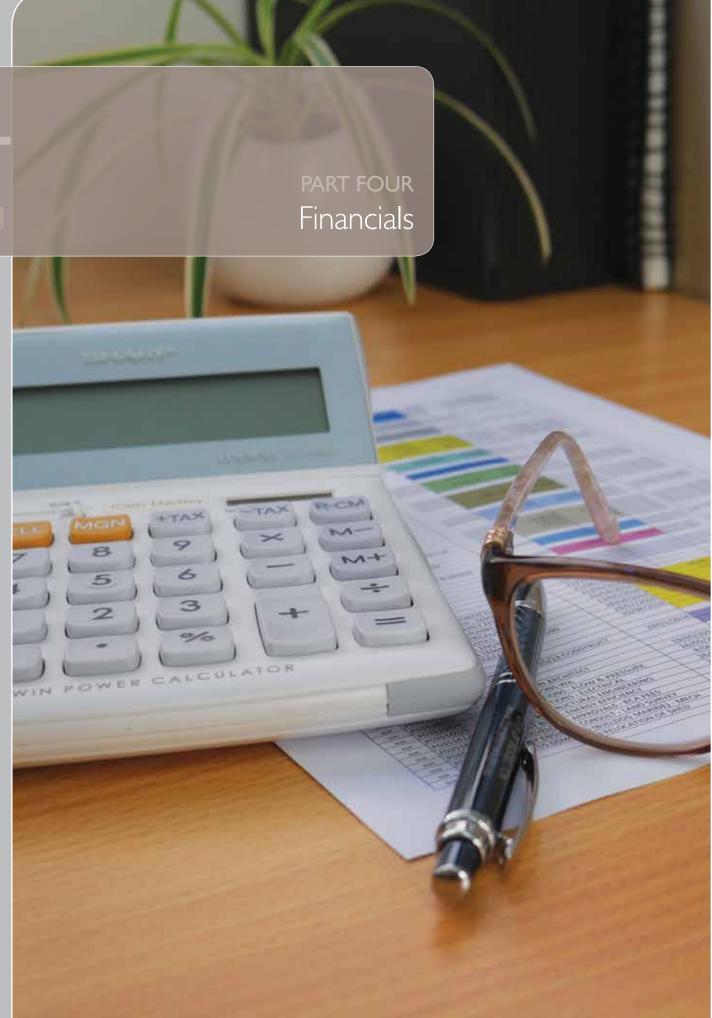

Local Government (Administration) Regulation 19B requires the City of Busselton to disclose in bands of \$100,000 the number of employees entitled to an annual cash salary of \$100,000 or more.

| 100,000 - 109,999 | 5 employees |

National Competition Policy

Two local laws were adopted by Council and subsequently gazetted this year. The Waste Local Law, gazetted on 3 January 2017, was based on a West Australian Local Government Association model local law which has been tested to meet National Competition Policy (NCP) principles. The Cemeteries Amendment Local Law was gazetted 9 August 2016. It contained only minor changes to the principal local law and therefore did not require assessment under NCP principles. Any requirement for ensuring competition neutrality or reporting under the NCP principles has been met by the City.

PART FIVE Measuring our Performance

Measuring our performance

The City has 21 key performance indicators (KPIs) designed to measure the performance of our organisation. The KPI outcomes provide a concise statement how effectively we manage our priority corporate actions and deliver our services

| Key | Performance Indicator | Outcome |
|-----|---|--|
| | Corporate Business Plan Achievement MEASURE: Achievement of projects (actions) as programmed for the period. | Refer to the list of Corporate Business Plan actions Key Goal Areas 1 to 6. |
| 2 | Financial Year Completed MEASURE: Extent of surplus funds. The closest to a nil balance the better: | A closing surplus position in the order of \$1,839k was achieved.This figure included approximately \$1,186 in identified carry-over items and enabling a residual \$653k in surplus funds to be transferred to reserve funds. |
| 3 | Financial Year Completed with all works, projects and programs provided for in the budget completed. MEASURE: All works, projects, and programs not completed. | \$106.6M was budgeted for capital works with 56% of the budget outlaid. The percentage completed increased to 78% when work related to the BMRA is excluded. Budget allocations not expended in 2016-2017 have mostly been included in the 2017-2018 budget. |
| 4 | Extent of Grant Monies Received MEASURE: Extent of grant monies received in comparison with previous years. | Government grants funding received totalled \$12.M, resulting in \$21.2M less than the amended budget projection of \$33.2M.The variance was primarily due to airport development funds of \$19.7M and the Youth and Community Activities/Surf Life Saving Project of \$1.3M. |
| 5 | Busselton-Margaret River Airport MEASURE: Actual cost to Council and number of aircraft movements in comparison with previous years. | A net position of \$362,253 was recorded in 2016-2017 compared to \$292,197 in the previous year.
