PRÉCIS

The Council is asked to consider four applications received for the Busselton and Dunsborough Centres Façade Refurbishment Subsidy Programme in accordance with the programme guidelines adopted.

BACKGROUND

Council resolved on 13 March 2013 to trial a programme for the 2013/14 and 2014/15 financial years by allocating \$20,000 in the 2013/14 financial year and \$50,000 in the 2014/15 financial year towards a façade refurbishment subsidy programme. On 29 January 2014 Council adopted the Busselton City Centre Façade Refurbishment Subsidy Programme and on 10 December 2014 resolved to add a portion of the Dunsborough Town Centre to the 'eligible area.' Prior to the 2016/17 subsidy programme rounds, Council resolved to amend the criteria to add in 'design works' and alfresco associated works to the eligible criteria list. The amended programme, now called the Busselton and Dunsborough Centres Façade Refurbishment Subsidy Programme, is provided as Attachment A.

The City recently invited expressions of interest in the 2016/2017 funding round, which closed on 8 April 2017. Four applications have been received and are the subject of this report. The applications include two proposals located within the Dunsborough Town Centre and two within the Busselton Town Centre. Location plans of these applications are provided at Attachment B.

The applications received are as follows:

1. Evviva Café Lots 1 & C (#1/233) Naturaliste Terrace, Dunsborough

The applicant proposes to upgrade the external verandah of the façade fronting Naturaliste Terrace and the intersection of Hannay Lane and Naturaliste Terrace. The façade extends across two lots, one currently used as a Café and the other currently a shop. The Café space of Evviva Café will expand into the current shop space. Attachment C details the existing and proposed works.

2. Ventura Homes- Lots 130 (#47) Queen Street, Busselton

The applicant proposes to upgrade the external windows, window frames and replace them with double hung windows. In addition to this the proposal includes the retexturing of the overhanging eaves to include decorative detail, include non-slip tilling and a window benchtop. Attachment D details the existing and proposed works.

3. Black Brewing Co. Lot 7 (#241) Naturaliste Terrace, Dunsborough

The applicant proposes to overhaul the façade of the allotment with new eaves, and the installation of windows along both Naturaliste Terrace and Hannay Lane. Attachment E details the proposed works.

4. Sportspower Lot 15 (#95-103) Queen Street, Busselton

The applicant proposes to install new aluminium and glass shopfront windows and install a new sliding door at paving height. Attachment F details the proposed works.

STATUTORY ENVIRONMENT

The Busselton and Dunsborough Centres Façade Refurbishment Subsidy Programme and application for subsidy funding is consistent with the *Local Government Act 1995* and the *Local Government (Functions and General) Regulations 1996*.

RELEVANT PLANS AND POLICIES

The Busselton and Dunsborough Centres Façade Refurbishment Subsidy Programme is a document for the City and Council to consider when assessing applications received for subsidy funding. It provides clarification and transparency to the public on what will be considered acceptable for an application.

The programme specifies 'eligible areas' and 'eligible' works which will be considered for subsidy funding.

In determining applications for inclusions within the Programme, the following assessment criteria are to be taken into consideration:

- Compliance with the City's Local Planning Scheme and the Building Code of Australia;
- Consistency with the objectives and recommendations of the Busselton City Centre Urban Design Policy;
- The degree to which the applicant is financially contributing to the project;
- The extent to which the project contributes to the visual improvement of the façade, and is visible from the public domain;
- Integration of proposed works with the streetscape, adjoining buildings and degree to which the project contributes to the established character of the street; and
- The degree to which the proposed works promote interaction with the streetscape, including the provisions of frontages which are inviting, provide points of interest for pedestrians and allow for an efficient use of space, are functional, attractive and pedestrian friendly.

FINANCIAL IMPLICATIONS

A budget of \$50,000 for the subsidy programme is provided for in the City budget for the 2016/2017 financial year.

STRATEGIC COMMUNITY OBJECTIVES

The recommendations of this report reflect Community Objective 2.3 of the City's Strategic Community Plan 2017 – 'Creative urban design that produces vibrant, mixed-use town centres and public spaces.'

RISK ASSESSMENT

An assessment of the potential implications of implementing the officer recommendation has been undertaken using the City's risk assessment framework and no risks have been identified where the residual risk, once controls are considered, is medium or greater.

CONSULTATION

Expressions of interest were sought for the programme from 8 March to 7 April 2017 electronically via Facebook and the City website. Advertising in the newspaper was also utilised alongside a feature article. City officers also conducted door knocking throughout the eligible Busselton locality. Four applications were received as a result of these methods.

OFFICER COMMENT

The applications are to be assessed against the Busselton and Dunsborough Centres Façade Refurbishment Subsidy Programme. All applications are within the eligible areas of the programme which the City has identified as a priority for upgrades. The programme identifies works which will be considered as eligible for funding and excludes works such as general maintenance, which should be occurring regularly without the programme as 'ineligible' for subsidy funding.

The following provides an assessment of the works and consistency with the programme guidelines.

1. Evviva Café Lots 1 & 2 (#1/233) Naturaliste Terrace, Dunsborough

The applicant has applied for a subsidy contribution for the works summarised below:

Works Proposed	Quotation (ex GST)	Eligible or Ineligible Works	Amount (ex GST)
Hire & install of temporary fencing &	\$3,200	Ineligible Works	\$3,200
Remove existing windows of Unit 1 & 2			
& install prop supports			
Lay footings to form base of Unit 1 Bay	\$18,994	Eligible Works	\$18,994
Window & Build low-height brick wall to			
support Unit 1 Bay Window & Supply &			
install Bifold window to Unit 1 and			
bifold window & single entry for Unit 2			
Supply & install gyprock sheets into to	\$4,100	Ineligible Works	\$4,100
internal surfaces affected by installation			
of new windows & Sand, flush & paint			
internal gyprock sheeting			
Supply & install textured eave lining on	\$11,310	Eligible Works	\$11,310
rake of existing Unit 1 & 2 and side of			
Unit 1 & Paint to new eave linings &			
Replace existing verandah posts with			
varnished posts			
Removal and disposal of all rubble	\$1,025	Ineligible Works	\$1,025
PC sum for application fees	\$300	Ineligible Works	\$300
Total Expenditure (ex GST)			\$38,929
Potential subsidy contribution (50% of tot	al expenditure (ex GST) above (after) the first	\$12,652
\$5,000)			

It is considered that the eligible above works satisfy the objectives of the Busselton & Dunsborough Centres Façade Refurbishment Subsidy Programme as they improve streetscape and pedestrian interaction.

The proposed works are part of a larger redevelopment of the site, where the owner of Units 1 & 2 is expanding the existing café into the adjoining lot (unit 2). The proposed works are an example of what the programme aims to achieve.

2. Ventura Homes- Lots 130 (#47) Queen Street, Busselton

The applicant has applied for a subsidy contribution for the works summarised below:

Works Proposed	Quotation (ex GST)	Eligible or Ineligible Works	Amount (ex GST)
New windows and frames	\$18,000	Ineligible	\$18,000
Double Hung Windows	\$4,500	Eligible	\$4,500
Benchtop	\$2,500	Ineligible	\$2,500
Eave lining with decorative detail	\$8,000	Eligible	\$8,000
Tilling (non-slip commercial)	\$4,000	Eligible	\$4,000
Total Expenditure (ex GS	T)		\$37,000
Potential subsidy contribute the first \$5,000)	oution (50% of total exper	nditure (ex GST) above	\$14,750

The proposal is largely 'like for like'. The applicant intends to keep the general shape and form of the façade with some minor changes. The hung windows can provide interaction with the street. The proposed alteration to the eve texture also satisfies the aims of the programme to provide points of difference to building facades to contribute to the beautification of the town centre.

3. Black Brewing Co. Lot 7 (#241) Naturaliste Terrace, Dunsborough

The applicant has applied for a subsidy contribution for the works summarised below:

Works Proposed	Quotation (ex GST)	Eligible or Ineligible	Amount (ex GST)
		Works	
Supply & Install Timber	\$8,217	Eligible	\$8,217
Frame Walls with			
cladding			
Supply & install	\$25,938	Eligible	\$25,938
windows			
Make good paving to	\$1,250	Ineligible	\$1,250
entrance			
Signage	\$2,500	Ineligible	\$2,500
Traffic Management	\$1,550	Ineligible	\$1,550
for Dismantle of			
Facade			
Dismantle	\$6450	Ineligible	\$6,450
Total Expenditure (ex GS	T)		\$45,905
Potential subsidy contrib	oution (50% of total expen	diture (ex GST) above	\$14,577.5
the first \$5,000)			

The proposal represents a large change from the existing facades along Naturaliste Terrace. In addition to this the proposed works also provide a secondary means of activating Hannay Lane. Awning infrastructure and bifold windows provide interaction with the streetscape.

4. Sportspower Lot 15 (#95-103) Queen Street, Busselton

The applicant has applied for a subsidy contribution for the works summarised below:

Works Proposed	Quotation (ex GST)	Eligible or Ineligible Works	Amount (ex GST)
Supply & Fit Aluminium Frames Glass Windows & Sliding door	\$18,759.95	Eligible	\$18,759.95
Flashing to Windows	\$287.50	Eligible	\$287.50
Fit Steel Posts & Beams	\$2,300	Ineligible	\$2,300
Supply timber for sill build to floor level	\$204.93	Ineligible	\$204.93
9mm Matrix lining for external window sill	\$759	Eligible	\$759
Materials for	\$1,439.80	Ineligible	\$1,439.80
temporary wall 600mm in front of works			
Labour to build temporary wall & door	\$1,610	Ineligible	\$1,610
Demolish brick nib wall & patch floor	\$2,070	Ineligible	\$2,070
Break up floor & form and pour new floor	\$3,680	Ineligible	\$3,680
Build low wall supporting windows	\$1,725	Ineligible	\$1,725
Lining supply & fix to wall panels	\$1,840	Ineligible	\$1,840
Total Expenditure (ex GS	T)	•	\$47,092.73
	oution (50% of total exper	nditure (ex GST) above	\$7,403.22

The proposed works are works which have previously been approved by the City on 9 March 2017 (DA17/0050). The works alter the existing Sportspower façade by reducing the two entries to a single access point and replacing the external walls with glass windows.

The proposed works, although new and potentially uplifting of the existing streetscape, the proposed façade window and doors do not offer a high quality and level of pedestrian interaction with the street.

CONCLUSION

It is considered by Officers that elements of all proposals comply with criteria set out in the Busselton and Dunsborough Centres Façade Refurbishment Subsidy Programme. Two of the applications satisfy the objectives and desired outcomes of the programme more than the others. Evviva Café and Black Brewing Co. provide design elements which best foster community and public interaction with the streetscape. Despite Sportspower and Ventura Homes proposing works that meet the eligible criteria, it is viewed that when prioritising the allocation of funding for proposed works, Ventura Homes and Sportpower offer less interaction with the streetscape than Evviva Café and Black Brewing Co.

OPTIONS

Should the Council consider that the proposal for Evviva Cafe is inconsistent with the programme guidelines, objectives and assessment criteria, it may resolve to:

1. Recommend not to provide subsidy funding for the works.

Should the Council consider that the proposal for Black Brewing Co. is inconsistent with the programme guidelines, objectives and assessment criteria, it may resolve to:

2. Recommend not to provide subsidy funding for the works.

Should the council consider that the proposal for Ventura Homes is consistent with the programme guidelines, objectives and assessment criteria, and is of sufficient priority, it may resolve to:

3. Recommend to provide subsidy funding for the works.

Should the council consider that the proposal for Sportspower is consistent with the programme guidelines, objectives and assessment criteria, and is of sufficient priority, it may resolve to:

4. Recommend to provide subsidy funding for the works.

TIMELINE FOR IMPLEMENTATION OF OFFICER RECOMMENDATION

The officer recommendation, if supported, will require the applicant to enter into a legal agreement with the City to commence works.

OFFICER RECOMMENDATION

That the Council resolve:

- That the application to upgrade the façade of Lots 1 &2 (#1 & 2/233) Naturaliste Terrace, Dunsborough (Evviva Café) is consistent with the objectives and assessment criteria of the Busselton and Dunsborough Centres Façade Refurbishment Subsidy Programme and to contribute up to \$12,652 towards the works.
- 2. That the application to upgrade the façade of Lots 7 (#241) Naturaliste Terrace, Dunsborough (Black Brewing Co.) is consistent with the objectives and assessment criteria of the Busselton and Dunsborough Centres Façade Refurbishment Subsidy Programme and to contribute up to \$14,577 towards the works.
- 3. To enter into a legal agreement with the owners/tenants of the properties in resolution points 1 & 2, to provide for the payment of funds once the works are completed to the City's satisfaction and final costs substantiated. The legal agreement shall include the requirements for appropriate recognition of the City's contribution to the City's satisfaction.
- 4. That the application to upgrade the façade of Lot 15 (#95-103) Queen Street, Busselton (Sportspower) is inconsistent with the objectives and assessment criteria of the Busselton and Dunsborough Centres Façade Refurbishment Subsidy Programme and not to contribute funds toward these works.
- 5. That the application to upgrade the façade of Lots 130 (#47) Queen Street, Busselton (Ventura Homes) is inconsistent with the objectives and assessment criteria of the Busselton and Dunsborough Centres Façade Refurbishment Subsidy Programme and not to contribute funds toward these works.

BUSSELTON & DUNSBOROUGH CENTRES FAÇADE REFURBISHMENT SUBSIDY PROGRAMME

1.0 PROGRAM OBJECTIVES

The Council has decided to establish the Busselton & Dunsborough Centres Façade Refurbishment Subsidy Programme. The Programme provides incentives in the form of grants to landowners and business operators to upgrade building facades in the Busselton & Dunsborough Centres. The objectives of the Programme are to:

- Beautify the Centres by improving the streetscape, which will in turn provide benefits to the broader community by making places more attractive, including for business and investment:
- Improve the experience of pedestrians to encourage more people to live, work, play and do business in the Centres;
- Reinforce and build upon the Busselton and Dunsborough Centres as the major retail, social and cultural hub of the City of Busselton and broader region;
- Enhance the physical quality and established character of the Centre's built environment through sensitive and innovative design of buildings and spaces; and
- Supporting building owners and business operators to improve the public impression of their buildings and businesses respectively.

Through providing financial assistance the Programme aims to develop stronger partnerships between the City and local businesses, and the Programme will complement the City's investment of resources into developing strategies and undertaking capital works to improve the function and appearance of the Centres.

The following provides a guide for the City, landowners and business operators in relation to: what buildings are eligible for the grant; how to apply; the application process and criteria for assessment; and general conditions that will be applied to successful applications.

2.0 ELIGIBLE BUILDINGS

The Programme applies to properties fronting Queen Street and Prince Street in the Busselton Centre as outlined in the programme area map at **Attachment 1.**

The Programme applies to properties fronting Naturaliste Terrace, Dunn Bay Road, Hannay Lane and Dunsborough Place in the Dunsborough Centre as outlined in the programme area map at **Attachment 2**.

The Programme area will be reviewed over time to reflect the City's priority areas for improvement and may also correspond with capital works improvements on streetscapes within the Centres.

3.0 HOW TO APPLY

Applicants will need to submit a completed application form and supporting documentation for the City to assess. Applicants should ensure that as part of applying for the grant they have submitted:

- The completed application form;
- A plan demonstrating the works to be undertaken, which as a minimum will include an
 elevation plan showing the proposed modifications to the building façade; and
- A cost estimate for the eligible works from an appropriate builder. Cost estimates are to be itemised showing a breakdown of the components of the cost estimate.

Busselton & Dunsborough Centres Facade Refurbishment Subsidy Programme

4.0 APPLICATION PROCESS

Eligible landowners and business operators will be contacted or notified via public consultation that applications are being sought for the programme. The following outlines the general process of how the Programme will be administered.

13

4.1 Pre-Approval Process

- Interested landowners and business operators are encouraged to contact the City to arrange a pre application discussion with staff prior to preparing or submitting an application.
- Applicants complete application form and all relevant documents to submit to the City prior to the closing date for applications to be received.
- Applications will be assessed by City staff and prioritised in accordance with the assessment criteria of this programme.
- City staff will prepare a report to the Councils' Policy and Legislative Committee, which will
 then make recommendations to Council with respect to which applications should be
 approved.
- 5. Successful applicants will be notified of the outcome of their application.

4.2 Assessment Criteria

Applications will be prioritised based on the following criteria:

- Compliance with the City's Town Planning Scheme and Building Code of Australia;
- Consistency with the objectives and recommendations of the Busselton City Centre Urban Design Policy;
- The degree to which the applicant is financially contributing to the project;
- The extent to which the project contributes to the visual improvement of the façade, and is visible from the public domain;
- Integration of proposed works with the streetscape, adjoining buildings and degree to which
 the project contributes to the established character of the street; and
- The degree to which the proposed works promote interaction with the streetscape, including
 the provision of frontages which are inviting, provide points of interest for pedestrians and
 allow for an efficient use of space, are functional, attractive and pedestrian friendly.

4.2.1 Eligible Works

Works eligible for grant funding are:

Preliminary design work consistent with the Program Objectives;

Busselton & Dunsborough Centres Facade Refurbishment Subsidy Programme

Infrastructure associated with alfresco areas, including canopies, furniture, bollards and windscreens, as part of an integrated design proposal consistent with the Program Objectives:

14

- Works consistent with a City approved Preliminary Design;
- Removal of opaque roller shutters/security grilles to be replaced with more appropriate transparent or inset behind shop display roller shutters;
- Works required, as a result of a building permit and compliance with disabled access in accordance with the Building Act 2011 and Building Regulations 2012;
- The modification or creation of windows which will provide interaction with the streetscape;
- Properties adjoining a laneway may apply for upgrade works for the visible portion from the streetscape; however these works are to complement façade works fronting the endorsed project area;
- Under awning lighting (excluding illuminated signage);
- Skinning of existing awning structure and fascia with new material; and
- Repair or replace awning structure.

Works shall only include upgrades to the façade of the building (includes awning and posts). Applicants are encouraged to outline any desired works, landscaping etc on public land, and subject to consideration at the annual budget review the works may be included in the City's capital works program.

4.2.2 Ineligible works

Works not eligible for grant funding include:

- Removal of non-compliant signage or any new signage:
- Internal alterations and additions to a building;
- General maintenance;
- Any works required to satisfy conditions of planning consent, building or health which are not a result of this program;
- Works that have already been completed, or have been commenced;
- Works necessary only to accommodate relocation of a new business and/or replace signage/paint;
- Upgrades and/or works to laneways which are not visible from the streetscape, are not identified within the programme area and do not form a complimentary function to upgrade of a property fronting a public street;

Successful grant applications will need to be implemented in accordance with the following general process:

Busselton & Dunsborough Centres Facade Refurbishment Subsidy Programme

Preliminary Design

- Applicant is required to consult with the City to clarify the Program Objective and a consistent outcome.
- A 'scope of the work', for commissioning the design work will be submitted to the City including costs. Only design work prepared by an Registered Architect is acceptable.
- Subject to gaining the City's agreement on the scope of work and the agreed grant sum the applicant is to complete the design works.
- Applicant to submit the design work tax invoice to the City of Busselton for agreed grant sum.
- Subject to the scope of works being achieved, and the work prepared to a professional quality, the City will pay the agreed grant sum.

Works

- Applicant is required to source minimum of two quotations from appropriate builders for endorsed works and required to sign agreement prepared by the City. The agreement will finalise the maximum sum to be paid by the City on completion of the agreed works.
- Applicant is to complete works in accordance with signed agreement by the end of the financial year following the year in which the grant is approved (i.e. currently, by the end of the 2014/15 financial year), unless otherwise agreed to by the City in writing.
- Applicant to provide written notification to the City once works have been completed, including receipt for payment of works (payment will only be authorised to persons in the signed agreement).
- City of Busselton inspects works to determine if they are satisfactory to the agreement signed.
- 5. Applicant to prepare tax invoice to the City of Busselton for agreed grant sum.

6.0 GRANT FUNDING

Applications for Preliminary Design works and applications for works will be determined as separate grant applications, each to the maximum grant available.

Preliminary Design

The City will provide successful applicants a grant of up to 50% of the agreed scope of works cost (ex GST) up to a maximum grant of \$5,000.00.

Grants are only available to an agreed scope of work with a minimum total value of \$2,000 (ex GST).

Works

The City will provide successful applicants a grant of up to 50% of the agreed project cost (ex GST) up to a maximum grant of \$20,000.00 per building.

Grants are only available to projects with a minimum total value of \$10,000 (ex GST).

Three worked examples of the maximum grant available for projects are set out below.

Example A: \$60,000.00 total project value. Project value above \$5,000.00 is \$55,000.00, 50% of which is \$27,500.00. Maximum grant is \$20,000.

Example B: \$45,000.00 total project value. Project value above \$5,000.00 is \$40,000.00, 50% of which is \$20,000.00. Maximum grant is \$20,000.00.

Busselton & Dunsborough Centres Facade Refurbishment Subsidy Programme

Example C: \$15,000.00 total project value. Project value above \$5,000.00 is \$10,000.00, 50% of which is \$5,000.00. Maximum grant is \$5,000.00.

The number of applications that are successful will be dependent on the number and total cost of supported applications. The Programme has a maximum of \$50,000.00 allocated for the first round, with a review of the Programme to occur annually. Funds will be allocated once a year, however should there be sufficient funds after the initial funding round in any given year, a second round of applications may be considered at the City's discretion.

Unsuccessful applicants will be eligible to apply for a contribution towards design work required to prepare their application. Contributions will be available from a pool of \$3,000.00 and will be allocated based on the number of unsuccessful applications received. Contributions for preliminary design work to unsuccessful applicants will only be provided subject to a written request being received and a copy of the invoice for design work being provided.

7.0 GENERAL CONDITIONS

Successful applicants will be required to sign an agreement with the City acknowledging that the grant will only be available subject to complying with general conditions. To provide transparency of the City's expectations prior to landowners or business operators submitting an application, the following outlines general conditions that will be contained within the agreement:

- Applicants will be required to remove any illegal signage as part of façade improvements.
- The applicant is to be responsible for obtaining all necessary planning and building approvals prior to commencement of works.
- The City of Busselton will waive any planning fees required to commence successful works on successful grant applications. Building permit application fees are to be paid by the applicant.
- 4. Works are to be undertaken by licenced contractors.
- Cost estimates and quotations are to be sourced from suitably qualified local (City of Busselton municipal boundary) businesses wherever possible. Cost estimates and quotations are to provide costs for each component being applied for.
- The applicant if successful is to enter into an agreement with the City setting out the agreed schedule of works, timeline and grant sum.
- Funds will not be reimbursed until after the completion of the project and the City has agreed that all work has been carried our satisfactorily and within the specified time frame.
- 8. Any overrun in costs is not the responsibility of the City and the City will only be liable to reimburse the costs as per the agreement.

Dear Chief Executive Officer,

Re: Busselton & Dunsborough Centres Façade Refurbishment Subsidy Programme VENTURA HOME GROUP SOUTH WEST- 47 (Lot 130) Queen Street Busselton

Ventura Home Group South West is pleased to be submitting an application for the Busselton & Dunsborough Centres Refurbishment Subsidy Programme.

In September last year we secured a 6-year lease (with 5 + yearly optional extensions) at 47 Queen Street Busselton. The main objective of our office retail space is to provide a central location, accessible to clients in the Busselton and surrounding areas. Our head office is located in Bunbury, with a smaller office retail space in Margaret River. With the on-going success and growth of the company it's an exciting time to be expanding to Busselton.

We've been working with renowned Perth designer and architect Leon House over the past six months to make sure our building façade contributes to the atmosphere of Busselton city centre. We are invested in working with the City of Busselton to ensure we comply with the overall aim to beautify the Town Centre.

As per outlined in your program objectives, our application only includes upgrades to the façade of the building including the existing awning.

The eligible works which meets your criteria include:

- The modification or creation of windows which will provide interaction with the streetscape
- Compliance with disabled access in accordance with the Building Act 2011 and Building Regulations 2012;
- Skinning of existing awning structure and fascia with new material

ATTACHMENTS: Attachment A Policy 018 - Customer Service U

Attachment B Customer Service Charter U.

PRÉCIS

As part of Council's ongoing policy review, a review of Policy 018 - Customer Service Policy has been carried out. As a result of this review it is recommended that the policy be cancelled and that the proposed Charter be regarded as part of the City's suite of significant Corporate documents.

BACKGROUND

The most recent time the Policy came before Council only minor changes were made such as changing the word "Shire" to "City". The Policy has been in existence in one form or another since 2010.

The existing Policy relates to all Council Members, Committee Members and employees (and contractors) but more particularly applies to those staff in front line customer service roles

STATUTORY ENVIRONMENT

In accordance with Section 2.7(2)(b) of the Local Government Act 1995 it is the role of the Council to determine the Local Government's policies. It is also common for a Council to adopt significant Corporate documents and make these documents available to those persons to whom the document applies as well as to make them available to members of the public on the website. Corporate documents normally have a higher profile than policies and as a consequence have greater exposure.

It is normal for Local Governments to have a Customer Service Charter adopted by Council that forms part of a suite of Corporate documents rather than have a policy.

RELEVANT PLANS AND POLICIES

This report proposes to cancel the existing Council Policy 018 - Customer Service Policy in its current format. In lieu of the existing policy it is proposed to create a comprehensive Customer Service Charter based on the policy.

The Customer Service Charter brings together the contents of the policy and other documents that are made available to members of the public.

FINANCIAL IMPLICATIONS

There are no direct financial implications associated with this report.

Long-term Financial Plan Implications

Nil.

STRATEGIC COMMUNITY OBJECTIVES

This policy aligns with and supports the **Council's Key Goal Area 6** – 'Leadership' and more specifically **Community Objective 6.1** – 'Governance systems, process and practices are responsible, ethical and transparent'.

RISK ASSESSMENT

A statement of Customer Service standards and expectations is not required to be either a Policy or a Charter but it is good business practice for organisations to identify and promote the required customer service levels expected by the organisation.

The contents of the existing and proposed Charter reflect general standards of behaviour expected of all those persons appointed by the City (whether elected members, employees or contractors).

Whether acting in the capacity of a Council member, employee or contractor of the City of Busselton, all persons shall espouse the principles outlined the Charter:

The City of Busselton Customer Service Charter is the City's commitment to the community to:

- Act with integrity, timeliness, efficiency and economy;
- Be open, available, accountable and transparent in our decision making;
- Treat others honestly, respectfully, fairly and in a timely manner;
- Provide accessible, consistent, accurate and relevant information and;
- Invite and be informed by community requests, suggestions and feedback.

CONSULTATION

As the proposed Charter is based on the City's existing policy and other related documents and there is no change in focus this Charter is not considered to require any public consultation.

OFFICER COMMENT

This report presents the review of the Council's Policy 018 - Customer Service Policy. As a result of this review it was established that the contents of this policy would be more appropriately contained as a separate Charter and as part of the suite of published Corporate documents. The Charter is a consolidated version of the existing policy and other related documents.

During the ordinary course of reviewing the policy, the contents have been modified by making minor changes (mainly updates) to create a new "Consolidated" Code of Charter. The Charter identifies obligations of each class of person to whom the Charter applies.

CONCLUSION

As part of the regular practice of reviewing Council policies, a review was carried out on Policy 018 - Customer Service Policy. Following this review officers are recommending that the policy be cancelled and that a stand-alone Charter be adopted by Council.

OPTIONS

The Council may not agree to the change of the existing policy, may seek to make alterations to the policy or make changes to the proposed Charter.

TIMELINE FOR IMPLEMENTATION OF OFFICER RECOMMENDATION

Statement of Intent

PRÉCIS

As part of Council's ongoing policy review, a review of Policy 124 Busselton Regional Airport – Statement of Intent has been carried out. As a result of this review it is recommended that this Policy be revoked as it is no longer relevant.

BACKGROUND

This Policy was last before the Council in November 2014 at which time officers recommended amendments be made to the Statement of Intent. These amendments reflected the airport's progress toward developing its profitability and usage as well as to recognise the premium tourism destinations it services. In addition minor amendments were made to update terminology from Shire to City. The amended Policy was endorsed by Council at that time (C1411/283).

The Policy and Legislation Committee has endorsed an ongoing policy review process, whereby individual policies are reviewed with a view to determining their ongoing applicability along with standardisation and reduction. This report presents the review of Policy 124 Busselton Regional Airport – Statement of Intent.

STATUTORY ENVIRONMENT

In accordance with Section 2.7(2)(b) of the *Local Government Act 1995* (the Act) it is the role of the Council to determine the local government's policies. The Council does this on the recommendation of a Committee it has established in accordance with Section 5.8 of that Act.

RELEVANT PLANS AND POLICIES

FINANCIAL IMPLICATIONS

There are no direct financial implications associated with this report.

Long-term Financial Plan Implications

Nil.

STRATEGIC COMMUNITY OBJECTIVES

This Policy aligns with and supports the **Council's Key Goal Area 4** – 'Economy' and more specifically **Community Objective 4.1** – 'An innovative and diversified economy that provides a variety of business and employment opportunities as well as consumer choice'.

RISK ASSESSMENT

Not required for review of this Policy.

CONSULTATION

This policy review is not considered to require any public consultation.

OFFICER COMMENT

This report presents the review of Policy 124 Busselton Regional Airport – Statement of Intent. As a result of this review, it was established that this policy is no longer relevant.

Since the inception of this Policy, progress of many of the key objectives contained in the Policy have significantly progressed and in some instances have already been implemented, eg funding secured and project works underway, implementation of a noise management plan, promotion of a broader range of travel destinations and fly-in, fly-out services etc. In February 2017 construction commenced at the now named Busselton-Margaret River Regional Airport (BMRRA), a result of 6 years of collaborative work to put in place a vision that has been shared by the Federal and State Governments and the City of Busselton since 2010.

The Master Plan 2016-2036 for the Busselton-Margaret River Regional Airport (BMRRA) was produced in February 2016 by Aviation Projects following a successful submission of a business case to upgrade the airport, for the purposes of establishing a framework for the future planning and development of the airport. With the Master Plan now in place which covers off on the City's Vision and Objectives for the BMRRA going forward, Policy 124 Busselton Regional Airport – Statement of Intent is considered obsolete and therefore officers are proposing that this Policy be revoked.

CONCLUSION

As part of the regular practice of reviewing Council policies, a review was carried out on Policy 124 Busselton Regional Airport – Statement of Intent. Following this review officers are recommending that this Policy be revoked.

OPTIONS

The Council may choose not to revoke this Policy, may seek to make changes to the Policy or may seek to retain the existing Policy in its current format.

TIMELINE FOR IMPLEMENTATION OF OFFICER RECOMMENDATION

The revocation of this Policy would become effective immediately upon adoption of Council.

OFFICER RECOMMENDATION

That the Council revoke Policy 124 Busselton Regional Airport – Statement of Intent as shown in Attachment A.

Vision for the Facility

The Council of the City of Busselton holds a vision for the Busselton Regional Airport as the South West Regional Airport to deliver quality air transport outcomes for the benefit of the residents of the City and the South West.

A Balanced Approach

The airport will be developed in a manner that respects residential amenity, recognising community impacts associated with its operations, particularly noise, while providing economic, social and tourism benefits to the City and the South West. Over time, the airport will become a hub for passenger, business, tourism and recreational uses that deliver benefit to the broader community.

Protecting Your Environment

As with any airport facility, there will be residents affected by its operations either by proximity to the facility or flight paths associated with it. To minimise that impact as far as possible, the City of Busselton makes the following commitments:

- We will manage noise by proactively implementing the Noise Management Plan
- We will proactively promote Fly Neighbourly practices
- We will consider the amenity implications when proposing any expansion of airport facilities and airport operations
- We will update and review noise modelling data as required and respond appropriately to changes in impact revealed
- We will respond to and investigate noise complaints
- We will consider potential noise amelioration as part of development proposals

Viability for the Community

The City of Busselton is committed to developing the Busselton Regional Airport into a commercially viable community facility for the benefit of ratepayers. It is a particular vision to develop the airport into a sustainable facility including the capacity for asset renewal requirements to be funded from its operations.

- We will proactively seek Government funding for the facility
- We will seek to develop airport uses delivering income streams through landing fees, head taxes, licensing fees and other charges
- We will invest in infrastructure upgrades following favourable cost/benefit analysis

Economic Benefits

The City of Busselton recognises the significant economic opportunities associated with having an airport located in the District.

- We will promote Busselton, Dunsborough and Yallingup as well as The Margaret River Region and other South West locations as destinations serviced by the Busselton Regional Airport for visitors, nationally and internationally
- We will promote the City of Busselton as a base for fly-in fly-out services and their employees and families
- We will investigate and pursue business (import and export) opportunities

6.3 Attachment A

Existing Policy 124 Busselton Regional Airport - Statement of Intent

Last updated 12/11/2014

Social Benefits

The City of Busselton seeks to deliver an accessible air transport service for the benefit of its residents and those of the broader South West.

- We will seek to facilitate the airport as a base for airborne emergency services
- We will seek to facilitate the provision of efficient and accessible passenger services such as interstate and international services
- We will seek to facilitate the provision of fly-in fly-out services to provide additional employment opportunities for local community members

Governance

The Busselton Regional Airport will be managed by the City of Busselton in a manner that gives the highest regard to relevant regulations and safety, is responsible and progressive.

- We will ensure compliance with CASA and Air Services safety regulations and standards
- · We will report any matter not in the jurisdiction of the City to the relevant authority
- · We will be a responsible and accountable airport operator on behalf of the community
- We will continuously improve and review where necessary management principles and practices

Community Involvement

The City of Busselton recognises it is managing the Busselton Regional Airport on behalf of its community and will therefore involve the community in decision-making.

- We will be consultative, informative and responsive
- We will regularly report on airport activities supporting the highest levels of transparency and visibility
- We will support a committee to provide advice on relevant airport matters.

PRÉCIS

This report seeks Council adoption of revised Policy 004 - Placement of Memorial Plaques.

Reconsideration of Policy 004 – Placement of Memorial Plaques on the Busselton Jetty was considered at the Policy and Legislation Committee held on 18 May 2017 but deferred at the request of officers.

The Policy has been further reviewed and is now re-presented to Council for further consideration.

BACKGROUND

Council has previously adopted a policy relating to the placement of plaques on the Busselton Jetty being:

Policy 004 adopted on 22 February 2012 - Placement of Memorial Plaques on the Busselton Jetty (C1202/029.) The policy sets out the special circumstances by which a memorial plaque can be located on the Busselton Jetty.

The item was initially considered at item 6.2 of the 18 May 2017 Policy and Legislation Agenda. At the request of officers, the Committee resolved as follows:

Committee Recommendation and Amended Officer Recommendation

PL1705/123 - That Policy 004 - Placement of Memorial Plaques on the Busselton Jetty be deferred for one month.

The Policy has been further reviewed and is now re-presented to Council for further consideration.

STATUTORY ENVIRONMENT

The following statutory requirements are relevant in considering this report.

City of Busselton Jetties Local Law 2014

Written consent is required under s2.19 (Miscellaneous Provisions) of the Busselton Jetties Local Law (2014) for the activities addressed in this policy:

• S2.19 1(e) place or display any sign, advertisement or fixture of any nature on the Land or on or from the jetties

Land Administration Act 1997

The Jetty is located on Crown land (Reserve 46715), which is vested with the City of Busselton for the purposes of 'Tourism, Recreation and Heritage'.

RELEVANT PLANS AND POLICIES

Policy 004 – Placement of Memorial Plaques on the Busselton Jetty.

FINANCIAL IMPLICATIONS

Nil

Long-term Financial Plan Implications

There are no impacts on the Long Term Financial Plan resulting from the Officer Recommendation.

STRATEGIC COMMUNITY OBJECTIVES

Key Goal Area 4 of the 2017 Community Strategic Community Plan identifies a community desire to foster an innovative and diversified economy that provides a variety of business and employment opportunities as well as consumer choice. Specifically, events and tourism experiences that attract visitors and investment is supported. The Busselton jetty is the City's most visited built attraction and requires careful management to keep it as a contemporary visitor experience.

RISK ASSESSMENT

There are no residual risks identified as being high or medium as a result of the Officer Recommendation.

CONSULTATION

As part of the policy review process, the City has consulted with the Busselton Jetty Reference Group and sought feedback which has been included in the draft policy attached.

OFFICER COMMENT

The policy reviewed in this report is over five years old and in summary has been amended as follows:

The proposed policy suggests that changes can be made in two areas, the approval process and maintenance procedures.

In terms of approval procedures, it is proposed that Council no longer approve applications for Memorial Plaques to be placed on the Busselton Jetty. This suggestion is made having regard for the following:

- ➤ Council has adopted a Policy (004 Placement of Memorial Plaques on the Busselton Jetty) which details the procedures that need to be followed for a memorial Plaques to be placed on the Busselton Jetty;
- Specifically, the policy outlines detailed criteria that has to be met before an application can be considered;

- The applications are considered by the Busselton Jetty Reference Group. The Council is represented on this Group by the Mayor together with officer support; and
- Minutes of the Busselton Jetty Reference Group meetings are included in the Councillors Information Bulletin which is a standing agenda item on each Council agenda.

Given the above it is felt that there is sufficient protection for the requirements of Council to be followed without the need for a further report to be prepared for Council consideration. Further, Council is informed of the decisions of the Busselton Jetty Reference Group which could generate a review if necessary.

Further, the policy has introduced amendments to the scope of the policy to include maintenance and replacement of plaques and associated procedures. The objective of the amendment is to ensure plaques are kept in good condition and there is limited proliferation of plaques. A time limit of 20 years has also been introduced and annual inspections will incur to ensure plaques are presented well.

The proposed new policy is in Attachment A with a tracked changes version at Attachment B.

CONCLUSION

This report seeks Council to adopt the amended policy relating to the Busselton Jetty, which is over five years old. The proposal seeks to streamline the process without losing control and enhances maintenance requirements.

The existing policy, Placement of Memorial Plaques (2012) will be superseded by an amended policy that recognises the City of Busselton (rather than the former Shire). Amendments to the memorial plaques policy aim to continue to commemorate significant people who have contributed to the establishment and operation of the Busselton Jetty while ensuring the Jetty is presented well to residents and the visiting public.

OPTIONS

Council may elect to not amend the policy or to make alternative amendments to the policy not recommended by Officer or the Policy and Legislation Committee.

TIMELINE FOR IMPLEMENTATION OF OFFICER RECOMMENDATION

Should Council adopt the recommendation, the policy will become effective immediately.

OFFICER RECOMMENDATION

That Council adopts the revised Policy 004 as shown in Attachment A.

Revised Policy 004 – Placement of Memorial Plaques on the Busselton Jetty

004	Busselton Jetty – Placement of Memorial Plaques	V2 DRAFT

PURPOSE

This policy sets out the special circumstances by which a memorial plaque to be located on the Busselton Jetty with the approval of the City of Busselton.

2. SCOPE

The policy applies to requests for the placement of new memorial plaques and maintenance/replacement of existing plaques on the Busselton Jetty.

3. POLICY CONTENT

Approval to place memorial plaques on the Busselton Jetty is limited to special circumstances as described in this policy. The City reserves the right to remove unauthorised plaques.

Approval to place memorial plaques will only be given if all of the requirements of the policy are met. Any proposal which does not meet these requirements will not be considered.

3.1 Procedure for placement of new memorial plaques

An application for placement of a new memorial plaque on the Busselton Jetty must be made in writing and must include:

- Details of the person the plaque relates to;
- Justification for the proposal that meets the assessment criteria (see below); and, Details of proposed text.•

3.2 Criteria for Assessment of new memorial plaques

Proposals will only be considered for special circumstances and will be assessed against the following criteria:

- 1. Whether the person being honoured has been instrumental in the development of the Jetty or undertook activities that contributed in a significant way to the Jetty;
- 2. There is demonstrated community support with respect to honouring the person in this manner. Letters of support must be provided with the proposal;

The Applicant is responsible for the supply and delivery of the plaque to the City of Busselton, and must be provided in the following format:

• Size: 200mm x 200mm;

Material: Permabrass;

Text: As approved by Council;

A hole in each corner.

All plaques will be placed at Section 3 of the Busselton Jetty by City of Busselton staff (or its contractors) and will be affixed in consecutive order or at the discretion of the City.

All costs associated with the supply and fitting of the plaques will be borne by the Applicant. Fees payable for the installation of plaques are set out in the City of Busselton's Annual Fees and Charges Schedule contained in the City budget and which is also available on the City's website.

Approved plaques will be permitted for a maximum of a 20 year term. At the expiry of the maximum term, the applicant (or his/her agent) will be advised in writing (where records are held by the City) and may reapply for a further term of 20 years.

4. MAINTENANCE / REPLACEMENT OF MEMORIAL PLAQUES

The City of Busselton will not be responsible for the maintenance of individual plaques and reserves the right to remove or relocate plaques at its sole discretion, should they present poorly. In such cases, the applicant (or his/her agent) will be notified of the removal and may reapply for a new memorial plaque in accordance with this policy.

The City of Busselton will undertake annual inspections to determine the condition of each plaque and will notify the owner (where records exist) or advertise locally to advise any plaques found in poor condition. These will be removed from the Jetty and stored by the City and will require the owner to reapply for placement.

5. ACCOUNTABILITY

Minutes of the Meeting of the Busselton Jetty Reference Group are included in the Councillors' Information Bulletin which is included on the Council Agenda papers available for the examination.

PRÉCIS

The purpose of this report is to consider changes to Delegation LG3K – Acquiring and Disposing of property which has been in existence in one form or another since 2008.

BACKGROUND

The existing Delegation is in the form of:

To exercise the powers and discharge the duties of the local government under Sections 3.58(2) and 3.58(3) of the Local Government Act 1995 (disposal of property provisions) and further to Section 5.43 (limits on acquisition or disposal provisions) on the local government's behalf.

Conditions

The value of the property shall not exceed \$100,000 in accordance with Section 5.43(d) of the Local Government Act 1995.

It is considered that some parameters should be placed around the Delegation in order to avoid the potential of unintended application.

STATUTORY ENVIRONMENT

Pursuant to section 5.42(1)(a) of the Act Council may delegate to the CEO the exercise of any of its powers or the discharge of any of its duties under the Act, other than those referred to in section 5.43. The Act prescribes that any such delegation requires an absolute majority vote of Council.

RELEVANT PLANS AND POLICIES

Delegation LG3K – Acquiring and Disposing of property - is a Delegation that has been in place for some considerable time and is one of a number of Delegations that exist to enable actions to be taken it is proposed to cancel this delegation and replace it with Delegation LG3B – Acquiring of Property and Delegation LG3C – Disposal of Property expeditiously without formal reference to Council.

Delegation LG3J – Inviting Tenders and Rejecting and Accepting Tenders is not impacted by this Delegation.

FINANCIAL IMPLICATIONS

There are no direct financial implications contained within this report.

Long-term Financial Plan Implications

There are no direct long term financial implications contained within this report.

STRATEGIC COMMUNITY OBJECTIVES

This policy aligns with and supports the Council's Key Goal Area 6 – 'Leadership' and more specifically Community Objective 6.2 – 'Governance systems, process and practices are responsible, ethical and transparent'.

RISK ASSESSMENT

The proposed course of action reduces the risk of unintended action being taken in relation to exercising the powers available in accordance with the existing Delegation.

CONSULTATION

It is not considered that external consultation is necessary to vary the terms of the existing Delegation.

OFFICER COMMENT

The Local Government Act deals with the Local government's ability to dispose of property. Under \$3.58:

- Dispose in this context not only means sale but also to enter into a lease or licence;
- Property includes the whole or any part of the interest of a local government in property, but does not include money; and
- The manner in which property may be disposed of is limited to public auction, public tender or by way of a public consultation process (giving local public notice of the proposed disposal and inviting and considering submissions made in response).

It appears that at the time (probably in 2008) the main purpose of this Delegation was to allow the CEO in the normal course of the City's functions to acquire and dispose of mobile plant and equipment and furniture & equipment with a relatively low value/low impact and excess to the City's day-to-day requirements. However one of the practical implications of Delegation LG3K is that it also allows the CEO to acquire and sell land and enter into leases and licences with a value of less than \$100,000.

It is doubtful whether it was the intention of Council to delegate to the CEO this range of powers and it is suggested that some conditions be placed on the delegation. It is also suggested that the Delegation be split into two Delegations – one for Acquisition and one for Disposal as follows:

Proposed changes in relation to Delegation to Acquire property.

Section 5.43(d) of the LG Act states:

A local government cannot delegate to a CEO any of the following powers or duties —

...

(d) acquiring or disposing of any property valued at an amount exceeding an amount determined by the local government for the purpose of this paragraph.

As mentioned above, Council has already determined that the CEO may acquire property up to the value of \$100,000. This Delegation works well for non-land related acquisitions and is a necessary function of the CEO and the administration. It is noted however that Council may wish to limit the power of delegation in relation to land acquisition.

Delegation LG3J – Inviting Tenders and Rejecting and Accepting Tenders is not impacted by this Delegation.

In relation to land, there may be instances where, for example, the City is required to acquire minor parcels of land, for example for truncations to enable roadworks to proceed.

The Local Government (Functions & General) Regulations 1996 — regulation 30(3)(a) states that where land is valued at less than \$20,000, it may be sold without going through formal S3.58 disposal processes such as tenders and auctions etc. Using this figure as a guide, it seems reasonable to use the same figure as a base for land acquisition purposes.

Proposed changes in relation to Delegation to Dispose of property.

It is suggested that the Delegation be clear on what the CEO has Delegated authority over and a distinction between sale and lease / licencing of property is proposed.

In relation to disposal of land by way of sale:

It is suggested that the limit imposed by clause 30(3)(a) of the Regulations referred to above (\$20,000) is a reasonable figure to delegate to the CEO to dispose of land. It is unlikely that the CEO would ever need to sell land with a value of up to \$100,000 (as is currently the case) without reference to Council.

In relation to disposal of land by way of lease:

In event of disposal by way of a lease or Licence (whether the property is for sporting, community or commercial use) the following conditions are considered to be both reasonable and practical:

- (i) The Delegation does not apply to the first time a property is leased. The Delegation only applies in relation to subsequent leases, renewals or options exercised regardless of whether the same lessee is involved or not;
- (ii) The maximum term of the lease, including any right by the lessee to assign the lease or sublease the property or extend the term of the lease, shall not exceed 5 years;
- (iii) The value of the leasehold interest to be disposed of does not exceed \$25,000pa
- (iv) The permitted use of the property must be consistent with:
 - A. the designated purpose of the property;
 - B. the general use of the property immediately prior to entering into the lease; or
 - C. if the property has recently been acquired, the intention for which the property has been acquired by the local government.
- (v) This delegation includes the power to allow assignment of a lease or sub-lease of the property subject to abovementioned conditions.

In relation to disposal of other property by way of sale:

It is intended to retain the value already set by Council for sale of property with a value of less than \$100,000. This will enable the CEO to perform the day-to-day functions of the City and in particular to dispose of surplus, unserviceable or obsolete property like mobile plant & equipment or furniture & equipment if and when required.

CONCLUSION

A review of the existing Delegation is timely and it enables Council to set clear limits to the level of Delegation to the CEO.

OPTIONS

The Council may either decide not to cancel the existing Delegation and retain it with or without modification or alternatively amend the proposed delegations.

TIMELINE FOR IMPLEMENTATION OF OFFICER RECOMMENDATION

The Delegation(s) will become effective day following the decision of Council.

Committee Terms of Reference U

PRÉCIS

The purpose of this report is to review the Terms of Reference / Governance Arrangements of the main Council Committees. These Committees are those whose minutes are regularly contained at item 9 of the Council Agenda "Confirmation and receipt of Minutes".

In accordance with the current Terms of Reference of each Council Committee, it has been practice to limit the term of each Council Committee to a two year term that expires at the time the new Council is sworn in at a Special Meeting of Council following the biennial elections being conducted.

At the Special Meeting following the biennial elections when elected members are sworn in, the Council Committees are then re-established and new members are appointed to the Committees

The Terms of Reference / Governance Arrangements of the Council Committees have been reviewed and recommends that their terms continue until such time that the Council determines that they are no longer necessary. This will avoid the need to prepare a report on re-establishing the committees each year. This proposal does not prevent the Council from reviewing the Terms of Reference / governance Arrangements of the Committees on a regular or needs basis.

The appointment of members to the Committees will necessarily be dealt with after the Council election to occur on Saturday, 21 October, 2017. Memberships will be determined at a Special Meeting of Council that is likely to occur on Monday, 23 October, 2017.

BACKGROUND

Council Committees

The Council currently has the following Council Committees established under the *Local Government Act 1995* (and the *Bush Fires Act 1954*):

Finance	Standing Committee
Policy and Legislation	Standing Committee
Audit	Standing Committee
Airport	Advisory Committee
Busselton Settlement Art Project	Steering Committee
Meelup Regional Park	Management Committee
CapeROC	Voluntary Regional Organisation of Councils
Bush Fires	Advisory Committee

The Terms of Reference of the following Committees have been reviewed and the results are contained in this report for consideration of Council:

- Finance;
- Policy and Legislation;
- Audit;
- Airport;
- Busselton Settlement Arts Project; and
- Meelup Regional Park Management Committee.

The Terms of Reference of the Meelup Regional Park Management Committee has only been changed by clarifying that the Committee does not automatically expire every two years in association with the Local Government election cycle. Changes are however proposed to be made to the Governance arrangements of the Management Committee and these are detailed in this report.

The Terms of Reference of the following Committees have not been reviewed at this time for reasons detailed in this report:

- CapeRoc Voluntary Regional Council; and
- Bush Fires Advisory Committee

STATUTORY ENVIRONMENT

Under Section 5.8 of the Local Government Act 1995 (LG Act), a local government, by absolute majority, may establish Committees of three or more persons to assist the Council, and to exercise the powers and discharge the duties of the local government that can be delegated to committees.

Separately, Section 5.10 and 5.11A of the LG Act relates to the appointment of Committee members and Deputy Committee members. It is noted that these requirements will be dealt with at a separate meeting following the election.

Section 5.16 of the LG Act also applies, whereby a local government may delegate to a Committee any of its powers and duties, other than this power of delegation. The general practice is however not to delegate powers to Committees – and no change to this is proposed as a result of this review.

A local government is required to have an Audit Committee by virtue of Section 7.1A(1) of the LG Act and certain powers and duties can be delegated to audit committees in accordance with Section 7.1B of the Act.

Part 2 of the Standing Orders Local Law relates to the establishment and membership of Committees. Specifically, a Council resolution to establish a committee under section 5.8 of the Act is to include –

- (a) the terms of reference of the committee;
- (b) either -
- the names or titles of the members, employees and any other persons to be appointed to the committee; or
- the number of members, officers and any other persons to be appointed to the committee and a provision that they be appointed under a separate resolution; and
- (c) details of the delegation of any powers or duties to the committee under section 5.16 of the Act.

RELEVANT PLANS AND POLICIES

Appointing members of the Council to Committees is subject to the requirements of Council Policy 014 – Convening the Council Following an Election.

A Special Meeting of the Council shall be convened for this purpose and wherever possible it shall occur on the Monday evening immediately following the ordinary election day. The proceedings shall commence with the "Swearing In" ceremony for new Councillors to be followed by the Special Meeting for the election of the Mayor and Deputy Mayor and consideration of membership of the Council's Committees and the appointment of Council delegates to other various groups.

CONSULTATION

The Shire of Augusta-Margaret River will need to be involved in any review of the CapeROC Committee Terms of Reference. As a consequence, no amendments should be considered to the CapeRoc Committee Terms of Reference until the Committee has considered a report on this topic.

The next meeting of this Committee is scheduled to be held in August when a review of the Terms of Reference will be considered.

Similarly, it is not proposed to review the Terms of Reference of the Bush Fire Advisory Committee at this time as the City is currently in the process of recruiting a new Community Emergency Services Manager. It is considered important he or she should be involved in reviewing the Terms of Reference and the objectives. This will be achieved within the next few months.

OFFICER COMMENT

The Terms of Reference of the main Council Committees have been reviewed. These Committees are those whose minutes are regularly contained at item 9 of the Council Agenda "Confirmation and receipt of Minutes".

Since these Committees are likely to be on going in nature – at least in the foreseeable future reference to the Committees having a termination date has been removed. This will avoid the practice of "Re-establishing" Committees every two years. It is noted that there is no statutory requirement for the life of Committees to be contained in any terms of Reference – the termination relates to membership of the Committee not the Committee itself.

In certain instances, minor other changes have been made to the Terms of References – generally to reflect current practice.

The proposed changes to the Terms of Reference will have no impact on the need to re-appoint members to the Committees after the October 2017 election.

Finance Committee

The Finance Committee exists to assist the Council to oversee the allocation and use of the local government's finances and resources. The following relevant documents are attached:

- Attachment A Proposed Terms of Reference.
- Attachment B Marked up Terms of Reference

Policy and Legislation Committee

The Policy and Legislation Committee exists to assist the Council to determine the local government's policies, and to carry out its legislative function. The following relevant documents are attached:

- Attachment C Proposed Terms of Reference.
- > Attachment D Marked up Terms of Reference.

Audit Committee

The Audit Committee is established to fulfil the requirements of Local Government (Audit) Regulation 16. Every local government <u>must</u> have an Audit Committee. The Committee operates to assist Council to fulfil its corporate governance, stewardship, leadership and control responsibilities in relation to financial reporting and audit, internal audit and risk management. The following relevant documents are attached:

- Attachment E Proposed Terms of Reference.

Airport Advisory Committee

The continued role of the Airport Advisory Committee to assist the Council with the development of the Airport is supported. The Committee has a critical role to play and is recognised in the Noise Management Plan to provide input into:

- high level direction for Airport development and management;
- changes to the Noise Management Plan;
- initial applications for flight training;
- applications for ongoing special event or special circumstance exemptions.

Busselton Settlement Art Project Steering Committee

The Busselton Settlement Art Project Steering Committee's objectives are:

- to oversee the commissioning of sculptures proposed under the "Busselton Settlement Art Project" as approved by the Council;
- to provide for the disbursement of funds, as approved by the Council, for use by the fundraising group for the purposes of raising the necessary funds for the "Busselton Settlement Art Project"; and
- to perform other activities from time to time as approved by the Council.
 - The following relevant documents are attached:
 - Attachment I Proposed Terms of Reference
 - Attachment J Marked up Terms of Reference.

Meelup Regional Park Management Committee

The Meelup Regional Park Management Committee exists to:

- assist the Council in managing and promoting Meelup Regional Park;
- ensure that the full range of issues relevant to the making of decisions about the management and promotion of the Park are considered, including environmental, amenity, recreational, community, social, economic and financial considerations; and
- build and maintain productive working relationships between the Council, City officers, volunteers and users of the Park, as well as other stakeholders.

Other than to include a section in the Terms of Reference which does not specify a date on which the term of the Committee expires, (consistent with similar changes made to the Terms of Reference of other Committees), no changes are proposed to be made.

The Terms of Reference as shown in Attachment M has been changed by the inclusion of the following:

8.0 Termination of Committee

Termination of the Committee shall be:

- a) In accordance with the Local Government Act 1995; and
- b) At the direction of Council.

In addition, it is felt that changes should be made to the "Governance Arrangements" adopted for the Committee. The Governance Arrangements were adopted by Council at its meeting on 14 October 2015 and have been amended to reduce the governance arrangements for appointment of members as reflected in the "tracked changes" version of the document.

It is not felt that there is any loss of control given the elected member involvement in the appointment process.

- ➤ Attachment K Proposed Governance Arrangements
- Attachment L Marked up Governance Arrangements.

Changes are proposed to be made to the Governance Arrangements relating to the way in which community members are appointed to this Committee as the present arrangements appear to be unduly prescriptive.

CapeROC

CapeROC exists to enhance the capacity of both local governments to deliver social, economic and environmental benefits to their communities and the region.

The terms of Reference of the CapeROC state that termination of the Committee shall be by decision of either Council or jointly to discontinue participation in the Voluntary Regional Organisation of Councils. To be consistent with all other Council Committees, no change is proposed at this time. In terms of content however, the Terms of Reference will be referred to the next CapeRoc Committee meeting in August for consideration. If CapeRoc makes changes to the Terms of Reference, the changes will need to be endorsed by the Shire of Augusta Margaret River and Busselton Councils.

Bush Fires Advisory Committee

The objectives of the Bush Fires Advisory Committee are:

- to provide advice to Council in regard to all matters relating to bush fire control, prevention and management, including recommendation on the annual firebreak requirements, capital (equipment) purchase, review of firefighting/prevention practices and firefighting training;
- to develop a bush fire strategic plan incorporating plant, firebreak order development process and strategic firebreak development, to be endorsed by Council; and
- to care for, control and manage the bush fire risk within the district of the City of Busselton.

This is an important Committee given the City's exposure to risk from a variety of sources. It is envisaged that the Terms of Reference of the Bush Fire Advisory Committee will be reviewed in the near future and presented to Council for consideration.

CONCLUSION

Consistent with best practice, it is beneficial to review the operation of the City's main Committees in order to maximise efficiencies and ensure best outcomes. A review of these Committees has been conducted and changes are proposed to the Terms of Reference / Governance Arrangements of the high profile Council Committees.

Consideration of changes to the Terms of Reference to the CapeRoc and Bush Fire Advisory Committee's will occur at a later date.

OPTIONS

The Council may determine that it does not require any or all of these Committees, with the exception of the Audit Committee, or may require changes to be made to any of the terms of reference.

- .4 To liaise with the Chief Executive Officer (or his representative) to ensure that the local government does everything in its power to assist the auditor to conduct the audit and carry out his or her other duties under the Act, and to ensure that audits are conducted successfully and expeditiously.
- 3.5 To examine the reports of the auditor after receiving a report from the Chief Executive Officer on the matters, and determine if any matters raised require action to be taken by the local government and to ensure that appropriate action is taken in respect to those matters.
- 3.6 To review the report prepared by the Chief Executive Officer on any actions taken in respect of any matters raised in the report of the auditor and to present the report to Council for adoption prior to the end of the next financial year or six months after the last report prepared by the auditor is received, whichever is the latest time.
- 3.7 To formally meet with the Auditor in accordance with the requirements of Section 7.12(A)(2) of the Local Government Act on behalf of the local government.
- 3.8 To review the compliance audit return and report to the Council the results of that review in accordance with Audit Regulation 14(3A).
- 3.9 To review reports provided by the CEO relating to the appropriateness and effectiveness of the local government's systems and procedures in relation to risk management, internal control and legislative compliance and to report to Council the results of the review in accordance with Audit Regulation 16(c).

4.0 Membership

- 3 Elected Members shall be appointed to the Committee; and
- 2 deputy members shall be appointed to the Committee.

5.0 <u>Presiding Member</u>

The Committee shall appoint a Presiding Member and Deputy Presiding Member to conduct its business. The Presiding Member shall ensure that minutes of the proceedings are kept and that business is conducted in accordance with the *Shire of Busselton Standing Orders Local Law*.

Revised Proposed Terms of Reference for the Audit Committee

6.0 Meetings

The Committee shall meet at least twice annually, and shall report to Council on a twice per year basis as a minimum.

- 6.1 Notice of meetings shall be given to members at least 3 days prior to each meeting.
- 6.2 If any member is absent from 3 consecutive meetings without leave of the Committee, they shall forfeit their position on the Committee. The Council shall be informed, who will then appoint a replacement for the balance of the member's term of appointment.
- 6.3 The Presiding Member shall ensure that detailed minutes of all meetings are kept in accordance with the Shire of Busselton Standing Orders Local Law.
- 6.4 All members of the Committee shall have one vote. If the vote of the members present is equally divided, the person presiding shall cast a second vote.

7.0 Quorum

Quorum for a meeting shall be two (2) members, whether vacant or not. A decision of the Committee does not have effect unless it has been made by the required majority.

8.0 Delegated Powers

The Committee has delegated power to conduct the formal meeting with the City's Auditor required by Section 7.12(A)(2) of the *Local Government Act 1995* on behalf of the Local Government but does not have any other delegated powers. Committee recommendations shall not be binding on Council and must be endorsed by Council to take effect.

In all other circumstances, the Committee is established to report to Council and provide appropriate advice and recommendations on matters relevant to its objectives, duties and responsibilities. This is in order to facilitate informed decision-making by Council in relation to the identified legislative functions and duties of the local government that have not been delegated to the Chief Executive Officer.

9.0 Termination of Committee

Termination of the Committee shall be:

- a) In accordance with the Local Government Act 1995; and
- b) By a decision of Council

10.0 Amendment to the Instrument of Appointment and Delegation

Attachment 1

Meelup Regional Park Management Committee

Terms of Reference

Introduction

The Council of the City of Busselton has established the Meelup Regional Park Committee pursuant to sections 5.8 and 5.9(2)(d) of the *Local Government Act 1995*.

- 2.1 Purpose
- 2.2 To assist the Council in managing and promoting Meelup Regional Park.
- 2.3 To ensure that the full range of issues relevant to the making of decisions about the management and promotion of the Park are considered, including environmental, amenity, recreational, community, social, economic and financial considerations.
- 2.4 To build and maintain productive working relationships between the Council, City officers, volunteers and users of the Park, as well as other stakeholders.
- 3.1 Membership
- 3.2 Two elected members as appointed by the Council, as follows –
- 3.3 One deputy elected member as appointed by the Council, as follows -
- 3.4 Six community members as appointed by the Council., as follows -
- 3.5 Four deputy community members as appointed by the Council, who may be present at all Committee meetings, including when matters are being considered 'behind closed doors' (i.e.

Note: Once the 'Friends of Meelup Regional Park Incorporated' has been formed, the intention is that the Council will progressively move towards a model of three community members being representatives of that group, with the other three being independent members, potentially with retention of deputy members. That will, however, a be a decision for the Council at the time, in consultation with stakeholders at that time.

- 3.6 Membership of the Committee shall, unless determined otherwise, be for a term of approximately two years, ceasing on the day of the next ordinary Council election.
- 3.7 If any member is absent from the Committee for three consecutive meetings without approved leave of absence from the Committee, the Chief Executive Officer shall present a report to the Council so that the Council may determine whether to continue that person's membership of the Committee.

Revised Meelup Regional Park Management Committee Terms of Reference

Attachment 1

4.0 Presiding Member

The Committee shall appoint a Presiding Member and Deputy Presiding Member to run its meetings. The Presiding Member shall ensure that business at formal meetings is conducted in accordance with the City of Busselton Standing Orders Local Law.

5.1 Formal Meetings

5.2 Formal meetings of the Committee shall be scheduled when the need for a meeting is identified by either the Presiding Member or Chief Executive Officer, and only when there is a need for a matter to be subject of a formal decision of the Committee and/or the Council, and in any case no less often than twice annually and no more frequently than once a month.

Note: Matters that would require a formal decision of the Committee are any matter that requires a formal resolution of the Council (such as any change to the membership or terms of reference of the Committee, any amendment to the budget, any matter that requires, from a legal/statutory perspective, a formal decision of the Council, any other matter that the Presiding Member of the Committee, having received and considered the advice of City officers, considers requires formal consideration by the Council, and/or matters that require a formal decision of the Council because consensus has not been achieved in an informal meeting, as set out in Part 7.0 of these Terms of Reference), as well as matters on which a decision is required and which are considered to be of high strategic importance and/or broad public interest (such as proposals for significant infrastructure or significant changes to the management of the park, but not usually individual works projects or events, or the noting of plans, studies or similar, which are primarily or wholly being presented to the Committee for information purposes).

- 5.3 Formal meeting agendas shall be distributed by the Chief Executive Officer to Committee members no less than seven days prior to the meeting.
- 5.4 Where a Committee member wishes the Committee to consider an alternative to the officer recommendation in relation to any particular item, they shall indicate in writing (preferably email) to the Chief Executive Officer or Chief Executive Officer's nominee and the Presiding Member their intention to do so, setting out their proposed alternative and the reasons for that alternative, no less than 24 hours prior to the scheduled commencement of the meeting. The Chief Executive Officer or Chief Executive Officer's nominee shall provide officer comment on the proposed alternative in writing to Committee members prior to the scheduled commencement of the meeting.

Note: In relation to alternative recommendations put forward by Committee members, City officers are able to assist in the drafting of alternative recommendations, but that should not be construed as indicating officer support for any alternative that may be proposed.

- 5.5 The Chief Executive Officer shall ensure that minutes of formal meetings are kept, presented for review and adoption at the subsequent formal meeting, and provided to the Council for information as part of the first practicable ordinary Council meeting agenda following the formal Committee meeting.
- 5.6 Where the Committee makes a decision in a formal meeting that involves the making of a recommendation for consideration by the Council, the Chief Executive officer shall ensure that the recommendation is presented to the Council as part of the first practicable ordinary Council meeting agenda following the formal Committee meeting. In cases where the

Revised Meelup Regional Park Management Committee Terms of Reference

Attachment 1

Committee recommendation is not consistent with the officer recommendation to the Committee, the Chief Executive officer shall present the Committee recommendation but may also present an alternative officer recommendation for consideration by the Council.

- 5.7 Quorum for a meeting shall be at least 50% of the members (i.e. four).
- 5.8 Meetings shall be open to the public, unless items are of a nature that can be considered confidentially pursuant to the Local Government Act 1995.

6.0 Delegated Powers

Pursuant to section 5.17 of the *Local Government Act 1995*, the Committee, when constituted for a formal meeting, is delegated to adopt plans, policies or documents that relate to management of the Park, other than where those plans, policies or documents require adoption pursuant to a particular statutory power, but may not make any decision that would require expenditure of funds contrary to the adopted budget and any decisions shall not be actioned until the Committee meeting minutes have been formally considered by the Council.

7.1 <u>Informal Meetings</u>

- 7.2 Informal meetings of Committee members and City officers involved in management of the Park shall be scheduled when the need for a meeting is identified by either the Presiding Member, the Chief Executive Officer or the Chief Executive Officer's nominee, and in any case no less often than every two months and no more frequently than once per month (notwithstanding that, the Committee members and City officers may agree to establish informal working groups or similar charged with addressing particular issues and which may meet as deemed appropriate), and when a formal meeting is also scheduled in the respective month, informal meetings shall take place immediately following the formal meeting.
- 7.3 The purpose of informal meetings of Committee members and City officers shall be to discuss matters relating to and affecting the management of the Park, and where necessary and possible, agree a consensus position on the approach to be taken with respect to those matters.
- 7.4 Where consensus on a particular matter is achieved at an informal meeting of Committee members and City officers, City officers where delegated, authorized or otherwise empowered to do so, shall take the necessary steps to ensure that the consensus position on a particular matter is implemented.

Note: 'Consensus' means 'general agreement', it is not necessarily achieved through a simple majority 'vote' and nor does it necessarily require unanimity. Judgement as to whether consensus has been achieved should not usually involve any kind of 'voting' procedure or similar. A judgement that consensus has been achieved on a particular matter pursuant to clause 7.3 above will require both the Presiding Member at the meeting and the Chief Executive Officer or the Chief Executive Officer's nominee to be of the view that there is general agreement. If that does not occur, consensus has not been achieved and the matter shall be addressed as per clause 7.4 below.

7.5 Where a consensus position on any particular matter cannot be achieved, the Chief Executive Officer shall ensure that a report is prepared to be presented to and considered by the

Committee in a formal meeting, following which the matter will be presented for formal consideration at an ordinary meeting of the council.

- 7.6 The Chief Executive Officer or the Chief Executive Officer's nominee shall ensure that notes of informal meetings are prepared and distributed to all Committee members and the City officers present at the meeting for their review within seven days of the meeting. If the Committee members or City officers present at any particular meeting have any concerns with the notes prepared, they should advise the Presiding Member and Chief Executive Officer or the Chief Executive Officer's nominee as soon as possible and in any case prior to the next informal meeting, and where that occurs the Presiding member shall ensure that the matter is resolved to the extent necessary and practicable at the next informal meeting, with the outcome to be reflected in the notes of that next informal meeting. Notes shall record the outcomes of discussions, but not the content of those discussions.
- 7.7 Informal meeting agendas shall be developed in consultation between the Presiding Member (or Deputy Presiding Member in the Presiding Members' absence) and Chief Executive Officer or the Chief Executive Officer's nominee, and shall be distributed to Committee members no less than three days prior to the meeting.
- 7.8 Informal meetings shall not generally be open to the public, although the Presiding Member may agree to invite members of the public to be present when particular matters of interest are being considered, following consultation with Chief Executive Officer or the Chief Executive Officer's nominee.

8.0 Termination of Committee

Termination of the Committee shall be:

- a) In accordance with the Local Government Act 1995; and
- b) At the direction of Council.
