

Welcome to the FoodSafe Food Handler Training Program

- Save a copy of these instructions to your documents. Use voucher code **FSBUSSE314** to ensure your training is free.
- [Click here](#) to create an account and get started.
- Your username needs to be all lowercase letters. Please write down your username and password, as you will need these to log back in and access your certificate once you have completed the course.
- Ensure you use the same email address that you used on the EHA website with your discount code.
- If you don't receive the email from account setup within a few minutes, please check your spam folder.
- Once you have completed the training course, log back in using your username and password from point 3. You will now have access to your certificate which you can download and print.
- If you experience any problems please email wa@eh.org.au
