PRÉCIS

The Compliance Audit Return (CAR) relating to the activities of the City of Busselton during 2017 has been completed. The return is a statutory obligation and covers a range of requirements under the *Local Government Act 1995* and various Regulations.

The completed Compliance Audit Return is attached to this report (*refer Attachment A*) for the consideration of the Council. The return is recommended for adoption, after which it will be forwarded to the Department of Local Government, Sport and Cultural Industries as required by 31 March 2018.

BACKGROUND

The Department of Local Government, Sport and Cultural Industries has made available the 2017 Compliance Audit Return (CAR) for completion.

The Local Government Act 1995 Section 7.13 requires a Local Government to complete the Compliance Audit Return in the form specified by the Department of Local Government, Sport and Cultural Industries. The Local Government Audit Regulations require the Return to be considered by the Audit Committee and submitted to the Department by 31 March.

STRATEGIC COMMUNITY OBJECTIVES

The completed Compliance Audit Return 2017 aligns with and supports the **Council's Key Goal Area 6** – 'Leadership' and more specifically **Community Objective 6.1** – 'Governance systems, process and practices are responsible, ethical and transparent'.

The compliance assessment is one of the mechanisms that enable the organisation to ensure that it has governance systems that deliver responsible, ethical and accountable decision-making.

RISK ASSESSMENT

The whole process of the compliance assessment is about identifying risks to the organisation where non-compliant activities have potentially occurred.

CONSULTATION

The questions listed in the compliance return provided by the Department of Local Government, Sport and Cultural Industries have been responded to by designated council staff responsible for the actions required to comply with the appropriate legislation.

OFFICER COMMENT

The attached Compliance Audit Return demonstrates that the organisation has a good understanding of statutory requirements and has applied the correct interpretation to these requirements. The return covered the organisation's processes and records relating to:

Area of Compliance	# Questions
Commercial Enterprises by Local Governments	5
Delegation of Power / Duty	13
Disclosure of Interest	16
Disposal of Property	2
Elections	1
Finance	14
Integrated Planning & Reporting	7
Local Government Employees	5
Official Conduct	6
Tenders for Providing Goods and Services	25
Total	94

The Authorising Officer notes 100% compliance with respect to the Compliance Audit Return 2017 which is similar to previous years where compliance returns have had a high degree of compliance.

However, it is noted that having analysed the City's supplier payments for the relevant period it appears that, in respect of two suppliers (both expert consultants), tenders had not been invited where the combined consideration under their contract(s) exceeded the consideration stated in Regulation 11(1) of the Local Government (Functions and General) Regulations. However, at the time of entering into the separate contracts with these consultants, the consideration under their contract was not expected to be worth more than the consideration stated in Regulation 11(1) of the Local Government (Functions and General) Regulations.

For various unexpected (mainly operational) reasons the City had to extend the scope of the projects for which these two consultants had been engaged for. The City had good reason to believe that, due to the nature and extent of these projects, the complexities which eventuated since engaging these consultants and these consultant's intimate involvement with these projects to date, it was in the City's best interest to extend these consultants contracts pursuant to Regulation 11(2) (f) of the Local Government (Functions and General) Regulations.

CONCLUSION

It is recommended that the Council adopt the return for submission to the Department of Local Government, Sport and Cultural Industries.

OPTIONS

Other than to provide a different response to those provided in the Return, there are no options available as it is a statutory requirement to complete and lodge the Return with the Department.
