The Busselton Settlement Art Project “History Wall” captures a moment in time when the community comes together to show its pride and support of a unique and outstanding heritage art project.

Constructed from recycled Busselton jetty timbers with stainless steel engraved plaques, it is a chance for the community to be acknowledged for their support of the Busselton Settlement Art Project. The “History Wall” will be placed alongside the Old Police Sargent’s Quarters at the entry to the Courtyard, in the ArtGeo Cultural Complex.

From family or individual, business or corporate, donations of $500 or over, will be acknowledged for their contribution.

This is the major fund raising activity for the Busselton Settlement Art Project.

Donations made to the Busselton Settlement Appeal are tax deductible through an arrangement with the National Trust.

Anybody who has a connection to the area will be proud to be associated with this major project and contributions can be made at any level.
