Dog owners must abide by The Dog Act 1976.

The City encourages responsible dog ownership within its District and to ensure the management of dogs in public places, the City has created areas where dogs are prohibited, where they are permitted on-leash, and where they are permitted off-leash. Some of these areas are seasonal and as such, residents and visitors to Busselton are encouraged to look out for and comply with signs relating to the control of dogs.

**DOGS ARE REQUIRED TO BE UNDER EFFECTIVE CONTROL**

- A dog shall not be in a public place unless it is held by a person who is capable of controlling the dog or securely tethered for a temporary purpose by means of a chain, cord, leash or harness of sufficient strength.

- When off-leash in an approved dog exercise area the owner is required to have effective control of their dog at all times. Effective control may be defined as the dog being within eyesight of its owner, immediately obeying the voice commands of its owner even when distracted, and not disturbing or harming other people, dogs or other animals including wildlife.

**DOG WASTE**

You must always clean up after your dog. Whilst the City provides dog bag dispensers at many of our dog exercise areas, it is the legal responsibility of the person in control of the dog to clean up its droppings and to dispose of them appropriately.

**PLACES (OTHER THAN BEACHES) WHERE DOGS ARE PERMITTED TO BE EXERCISED OFF-LEASH**

Dogs are permitted to be exercised off-leash on the grassed areas of all other local government property subject to a number of conditions that are published on the City’s website at www.busselton.wa.gov.au.

**DOGS ON BEACHES**

Information on where you can take your dog on the beach within the City of Busselton is shown on the series of maps on the following pages.

**DOG OWNER ETIQUETTE**

Some people, particularly small children, can find encounters with dogs intimidating. Please be considerate of others. Don’t let your dog approach other people, especially children, unless you are confident the other person is comfortable with that happening. If in doubt, keep your dog on a lead.

For more information or to report incidences of dogs in prohibited areas or areas where seasonal closures apply, please contact City of Busselton Ranger & Emergency Services 9781 0444.
